Re: OPRA Request No. 2025-10

Dear Ciaran:

I received a Request for Records from you on 04/22/2025 to which I have assigned the above referenced number used to track such requests received in this office. I serve as Records Custodian for the Township of Hardyston solely for records requests that are applicable to the Police Department. Please accept this as my response in accordance with the Open Public Records Act (OPRA). All other requests are handled by the municipal clerk.

You're requesting the following:

"Arrest reports including Officer narrative that have been coded as shoplifting from 04/01/2024 to 04/14/2024."

An extensive search was conducted to which there were no responsive records located. Therefore, your request is denied and considered complete.

If you have any questions or require additional information, please contact the undersigned.

Sincerely,

Chief Scott M. Lobban
Hardyston Township Police Dept.
