Fee Received 100.-

(map on back)

TOWNSHIP of HOPEWELL

DEPARTMENT of HEALTH

Serving Hopewell Borough and Pennington Borough

201 WASHINGTON CROSSING PENNINGTON ROAD, TITUSVILLE, N.J. 08560

TELEPHONE 609-737-0120 / FAX 609-737-2770

January 22, 2003

William Loveman
28 Diverty Road
Pennington, NJ 08534

Re: Block 86 Lot 35

To Whom It May Concern:

Enclosed is your permit to construct a replacement well at the above referenced property.

Please have the well location staked by your driller or engineer.

Please notify your well driller that the permit(s) has been approved. The driller will schedule the appropriate inspection.

Upon completion of the well, your well driller will conduct the required water availability test per township ordinance.

After chlorination is done, the well water must be tested for bacteria, Nitrates, PH, manganese, iron and limited organic compounds.

All old wells must be abandoned and sealed by the licensed driller by state law.

Very Truly Yours,

Robert B. English
R.E.H.S.

BOARD OF HEALTH OF HOPEWELL TOWNSHIP

Mercer County — New Jersey

APPLICATION FOR PERMIT TO LOCATE AND CONSTRUCT AN INDIVIDUAL SEWAGE DISPOSAL SYSTEM IN ACCORDANCE WITH THE PROVISIONS OF CHAPTER 188 P. L. 1950 AMENDMENTS THEREOF AND SUPPLEMENT THERETO AND THE STANDARDS FOR THE CONSTRUCTION OF SEWAGE FACILITIES.

Fill out both sides of this Application and present to the Building Inspector with 4 copies of a proper plan and a fee of \$15.00.

The plot plan shall be to scale and prepared, signed and sealed by a licensed New Jersey Professional Engineer. This plot shall show lot dimensions, location of the house, outbuildings, driveway and well. The location of any streams or natural water courses shall be noted together with a description of the intended grade revision and its effect on surface drainage if any.

The plot plan shall indicate the complete design of the proposed septic system noting distances from the disposal field to the house, property lines, streams and any large trees in the disposal area.
