Complaint Investigation Narratives

Arrived on site at approximately 1400 hours. Met with the owner and manager at this time in order to discuss the complaint. A full inspection of this facility was performed recently due to a separate complaint submitted a few days prior. No issues were found during that inspection. As for this site visit, no issues were found within any of the cappuccino machines or coffee makers. No flies or evidence there of could be found. Please refer to the most recent inspection for further details pertaining to this establishment.
