Nature of Complaint: 5/2/18 Just want to comment that I had my daughter's birthday party at Chuck e cheese tonight. The worker actually cut my daughters cake and put her hand on top of it as she cut the slices. Then licked her finger when she was done. I confronted her about not wearing gloves and she looked at me like I was crazy . They then brought us out two more cakes and walked all over with restaurant with the gloves on.. opening and closing the doors. It was really unbelievable. I think the health department should follow up. I was shocked. My cell is [REDACTED]
