Complaint Investigation Narratives

Narrative Date 09/09/21 Narrative Author McCoy, George

8-31-21, I phoned the complainant. We discussed the complaint. The complainant stated that she and her husband had food poisoning from eating meals at this restaurant. She told me that they had not sought medical attention yet she believed that they both had ptomain poisoning. I informed her that I would be investigating the complaint today.

8-31-21. a site investigation was performed. House keeping issues were observed through out. Hot and cold hold temps. were monitored and food handling was observed. The temps. and food handling was sat. Food storage was observed to be sat. The operator was instructed to correct the housekeeping .etc. issues.

9-7-21. A CH-24, Inspection was conducted. Housekeeping issues have been corrected. Work stations are properly

(Continued from previous page...)

maintained. all hot and cold holding is sat. food storage is sat. refrigerated items are properly separated.

The Ch 24 inspection resulted in a satisfactory rating.

No other F B I complaints have been made recently. this complaint was not verified at the time of my investigation.

There is no further cause for action at this time by the ochd.
