Description

We ate here today and the food was good. However, as a former restaurant manager... I'm a little unsure if we should have eaten there. There were eggs and a package of beef sitting on the back table at room temperature for the duration of our visit. I only noticed it because we used the bathroom. The vents were gross. I wouldn't have said anything but the beef left out at room temp just scares me

Narrative

Date	Narrative	Entered By
09/13/22	Arrived on site at 10am on 9/13/22. Inspected the entire facility and it is in compliance with NJ State food code. I explained to the employees of leaving food out at room temperature and they insisted it was not out for a time period that risks foodborne illnesses. Facility in compliance NO CAUSE FOR FURTHER ACTION AT THIS TIME BY THIS AGENCY	Gregitis, Matthias
