Narrative
Date: 11/06/23 Time: 01:35 pm - 02:05 pm Entered By: George McCoy Onsite , the owner is currently not at the restaurant. I phoned the owner and discussed the complaint. He stated that he was aware of the complaint. He had a couple that were eating outside state they had seen a roach while dining. As per the owner he has pest management treat regularly. I met with the shift manager and we walked through the kitchen. We visited Prep. Storage and Clean Up areas. There was no roach activity observed. A small glue board left on the wall behind the dishwasher was empty. No roaches were observed. This complaint was not verified while I was onsite. No further cause for action at this time by the OCHD. NO CAUSE FOR FURTHER ACTION AT THIS TIME BY THIS AGENCY
