Inspection Remarks:

Went to facility to investigate a foodborne illness complaint. Upon entering the kitchen, this Inspector observed several wait staff and ALL of the cooks on the line have bare hand contact with Ready To Eat foods. This Inspector has cited this violation during several Inspections and complaint investigations in the past. The Owner has stated on many visits that he would "take care of it". As the Owner refuses to remedy this violation, the facility was immediately issued a 'conditionally Satisfactory' rating. A 'Satisfactory' rating will not be issued until the facility can achieve and maintain compliance with this requirement.
