Complaint Investigation Narratives

Narrative Date 09/26/19 Narrative Author Burk, Shannon

Spoke with complainant over the phone. I advised him that I could take a complaint but that I am not sure if a noise violation would be likely due to the "Beach Bar Exemption". He will email me information on the resolution that was passed that would restrict certain activities at JR's in order for them to keep their entertainment license.

Spoke with Seaside Heights Administrator, Chris Vaz. I advised him of the noise complaint. He indicated that the municipality is working to enforce a resolution that may also be beneficial for the noise levels in the area. I advised him that we are most likely not going to pursue enforcement of the noise code at this time due to the "Beach Bar exemption".
