Dear Mr. Corrales,

I have enjoyed my time working at Evesham Township over the past almost three years, and have grown immensely both personally and professionally as an employee here. However, I am writing to regretfully inform you that I will be resigning as Assistant to the Township Manager effective September 15, 2023, and this letter is to be considered as my two weeks' notice of said resignation.

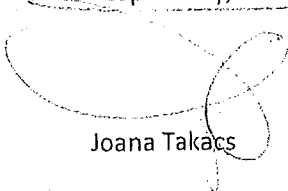

Please know that this was not an easy decision, but it was one that was made due to both professional and personal reasons. As you may know, I have a passion for helping people to live healthier and longer lives, and an opportunity has presented itself for me to move further along in my health and fitness career path. I am taking this opportunity not only because it is something that truly brings me fulfillment in my life, but also because it will greatly help with personal family issues that need to take priority.  *

. Due to this, my family will be relying on my presence and help even more during this time, and this job opportunity gives me the added benefits of both being closer to home and being able to control my own work schedule without hindering my job performance. Family comes first above all else for me, and I hope that you can understand my reasoning for this decision.

I truly appreciate the opportunity I was given to work here and the knowledge I gained during my years working under you, the Mayor and Council members and for the residents of Evesham. I wish everyone at the Township the best going forward.

Respectfully,

Joana Takacs
