Hello,

Not sure if you are aware or not, but I started a non-profit with a group of professionals in the South Jersey Area called the Tavi Time Founders Fund. Any idea where the name came from? You guessed it, Tavistock Country Club

We created this organization during Covid when a lot of families were struggling with food insecurities and those who have children with severe health issues, so we raised funds for

Over the past two years, our sold-out golf outings have brought together hundreds of servant leaders like you, raising over \$100,000 to aid our brothers and sisters in need. This year, we're aiming higher. Our goal is to raise \$140,000, and with your help, we believe it's achievable. The proceeds will be donated directly to the Ronald McDonald House, Cathedral Kitchen, and The Total Experience Foundation. Each of these organizations is dedicated to making a difference in New Jersey, whether that's providing food, securing housing, or bringing joy to children during the holiday season.

We are going to have games throughout the course, live music, fab food, and more!

I would love to have LifeBrand step up to the plate as a #generous sponsor.

With that being said, whatcha wanna do? I m happy to hop on a call to discuss. Thanks in advance for your consideration.
