Heather,

We will be supplying \$500 in gift cards (eg. VISA). How can I get this to the family?

I will post the GoFundMe link on the Elks webpage.

We do not have furniture for them. If anyone in the community wanted to donate personal furniture is there anyone coordinating this to contact? For example, I have some furniture to donate to them. I would think this takes coordination once they find housing.

Thanks.

Thank you Heather. This is heartbreaking.

I will follow up with the Elks Lodge. I am sure we can provide some support.

Are there one or two families to support?

Are there GoFundMe pages?

And do you happen to know if the adults are veterans or active military?

Thanks. Deb

Hi Debbie,

I'm not sure if the Elks assist families who are affected by fire by the family who's home was impacted by arson are in need of grocery cards and also looking for furniture as they lost most of the contents in their home.

Any suggestions or direction is appreciated.

I added the Rotary organization also in hopes we can bring our civic organizations together to support them.

Sincerely,
Heather
