Subject: Special meeting

Good afternoon Mayor and Council,

A few of you have indicated different opinions as to how you would like to handle the Acting Manager situation. To ensure a proper dialog can take place, the Mayor is asking to hold a special meeting so that Council can meet in executive session. Given the short work week next week, the earliest we can have the special meeting would be next Tuesday at 6pm in conference room B. Please let Joana and/or me know by today if this works for you all so we may schedule the meeting.

Thank you,

Robert
