We are providing you with a response to the **Paramus Police Department** items in your request in a timely manner in accordance with New Jersey Law.

Response: Please find records responsive (1 record withheld pursuant to 2C, 1 record withheld pursuant to E026, privacy interest)

Redactions have been made to remove the following:

date of birth, social security number, address, phone number, driver's license number;

N.J.S.A. 47:1A-1 provides that "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy." N.J.S.A. 47:1A-9.b allows exemptions from disclosure any grant of confidentiality established or recognized by the Constitution of this State, statute, court rule or judicial case law, to apply to OPRA.

With regard to operations report

Response: Denied – No records responsive (1 report withheld pursuant to E026, a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy)

With regard to investigation report

Response: Denied – pursuant to 2C

With regard to dispatcher, police journal entry records, dispatch recordings, vehicle reports, records of warnings, copies written warnings, documentation of verbal warnings, charge sheets (drivers/vehicle owners)

Response: This request seeks information or asks questions and does not identify specific government records. **As such, this request is overbroad and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See **New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007)**. A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See **Bent v. Stafford Police Department, 381 N.J.Super. 30, 37 (App. Div. 2005)**. Custodians are not required to conduct research or create new records in response to an OPRA request.

Your OPRA request is now deemed answered and closed. If we can be of any further assistance please feel free to contact us at 201-262-3400.
