Hollybush Drive Roadway Improvements
Borough of Glassboro, Gloucester County, New Jersey
S&A File Number G-543**

Dear Ms. Cosgrove:

On Friday, March 27, 2020, at 10:00 A.M., sealed bids for the above referenced project were received and publicly opened at the office of Sickels & Associates, Inc. by Olivier Peña of Sickels & Associates, Inc.

The Hollybush Roadway Improvements consists of the milling of the existing asphalt roadway, the construction of a new asphalt roadway, roadway striping, signage, installation of compliant handicap ramps, installation of concrete vertical curb, and topsoil/hydro-seeding.

Nine (9) prospective bidders and one (1) project lead-source company obtained bid documents for this project, from which the Borough received seven (7) bid proposals. The apparent low bidder is South State, Inc. of Bridgeton, New Jersey. The bid offered is in the amount of \$248,397.70. The NJDOT allotment for this project is \$236,225.00.

During our preparation of the bid summary spreadsheet, we noted an error in Think Pavers Hardscaping LLC's bid tabulation. As such, this office has corrected the subtotal of Item No. 33 utilizing the contract quantities and the unit cost within their proposal. The corrected total bid amount reflects this correction. The miscalculated bid total (see below) has been indicated in **red bold text**. It appears that the error did not affect the order of the bids results.

The following chart summarizes the bids submitted:

Bidder	Total Bid Amount
South State, Inc.	\$248,397.70
Landberg Construction LLC	\$274,445.51
American Asphalt Co., Inc.	\$297,343.10
Ricky Slade Construction, Inc.	\$298,099.00
Think Pavers Hardscaping LLC	\$332,152.00
R.E. Pierson Const. Co., Inc.	\$379,696.67
Charles Marandino LLC	\$398,434.00

The Contractor is qualified to perform the work under this Contract. They have provided a list of projects currently under construction and those that have been completed of a similar nature to this Contract. Our office has recently completed work with this company and their work has been deemed acceptable.

We have reviewed the low bids offered and find them to be in general conformance. However, the bids exceed the NJDOT allotment of \$236,225.00 for this project. **As such, we would recommend rejecting the bids and authorize this office to advertise for re-bid.** Our office will take a look at phasing the project to reduce the scope of work in an effort to bring the project within budget. This recommendation is subject to the review of the Borough Solicitor.

We respectfully request that this item be placed on the agenda for review and approval at the next available Mayor and Council meeting. It should be noted that the original bid documents were left with you after the bid opening for the Borough's records. By copy of this letter, we have forwarded copies of the bid forms and related documents to Timothy Scaffidi, Esquire, Borough Solicitor for his review and comment. Subject to the rejection of the bids, the bid bonds can be returned to the respective bidders.

If you have any questions regarding the above matter, please feel free to contact our office at (856) 848-6800. We will be pleased to discuss the matter with you at your convenience.

Very truly yours,
