Good Morning Mel,

I want to pass along information pertaining to upcoming Negotiations. The District has received our Insurance Claims History and will forward the information to our brokers for their review and analysis.

The Board has asked for a turn around time from the brokers so we can schedule our next meeting. As soon as I hear of an approximate return, I will reach out to you to set a date.

Jeff,

In the meantime, while we wait for the broker's review, please send a copy of the current scattergram.
