PUBLIC RECORDS REQUEST RESPONSE

Page 2 of 2

This office is in receipt of your request under OPRA which specifically states as follows:

"May I Request Bodycam footage of arresting officer in this incident," regarding "OPRA Request - Incident Case Number 2002-00365."

Attached is a link to the redacted public record responsive to your request as the Camden County Prosecutor's Office understands it, namely the arresting officer's body worn camera footage.

Please be advised there are a number of redactions of the body worn camera footage to remove personal identifiers (date of birth, address, driver's license number, etc.), criminal investigatory content and civilians.

The Camden County Prosecutor's Office also reserves the right to raise any other ground for denial not raised in this response. The failure of the Camden County Prosecutor's Office to assert an exception or privilege does not act as a waiver of any ground for denial.

You have a right to appeal the decision that the document or documents are not public records. You may take your appeal to the Public Records Council or to the New Jersey Superior Court as provided by N.J.S.A. 47:1A-6 and -7.
