135 Crash Description					
Driver #01 states "I began to back up as it was all clear. My back up beepers were on and working. Before I knew it the lady in question pulled right behind me. I slammed on my brakes, because it was wet I slid right into her."					
Driver #02 states "I was backing out of a parking spot at the golf course parking lot when I was hit by a truck in the left rear window and panel of our car."					
Crash investigation reveals: Vehicle #01 was backing up to off load equipment, when vehicle #02 backed into the path of vehicle #01 causing the vehicles to collide. Crash was due to driver #02's inattention, driver #02 advised that her vision was obstructed due to a large vehicle parked to her left. Driver #02 also failed to hear vehicle #01's audible device, warning that same was in reverse.
