Narrative

On 06/08/2018 I was dispatched to 26 Rivers Edge Drive for a report of a black dog loose in the callers backyard that almost attacked the caller. Upon arrival I was met with Igor Trogan, the caller, who stated he was inside his garage and saw a large black dog heading towards him. He immediately closed the garage door and lost sight of the animal. I checked the backyard for the dog and was met with negative results. I advised the called if he sees the dog again to call us back. NFPA.

Narrative

Dispatched to 27 Rivers Edge Dr., for the report of a burglary. Dispatch advised the callers alarm keypad was compromised over the weekend. Caller also stated her surveillance showed a person around her house and noticed a few more details while she was gone for the weekend. Upon arrival I made contact with the caller/homeowner Kathy Ahearn. Ms. Ahearn stated that she arrived home earlier in the morning and noticed her garage door keypad in the open position and was positive she left it closed when leaving. Ms. Ahearn stated that she has been gone since approximately 1600hrs on 9/27/18. Ms. Ahearn also stated that the person she thought she saw in her surveillance was actually part of her screen in her window. I observed the keypad and nothing appeared to be tampered with. I also did an exterior check of the residence and everything appeared to be in order.

Narrative

On the above date and time patrols were dispatched to 23 Rivers Edge Dr. for unknown people knocking on the callers front door. On arrival, I spoke with the caller, Pamela Carletta who stated that an unknown white male was knocking on her door.

While speaking to Ms. Carletta, Ptl. Campan notified me that he was out with the male subject. The male subject was identified as Hernan Zapata-Holler and stated that he lived at 39 Rivers Edge Dr. Mr. Zapata-Holler stated that he was attempting to get a signature from a resident at 23 Rivers Edge Dr. to obtain a fence for the property line between 23 and 39 Rivers Edge Dr.

I relayed this information to Ms. Carletta and she apologized for calling the police and stated that Mr. Zapata-Holler could return to her property so that she could sign the form. I stood by until Mr. Zapata-Holler arrived. Everything was in order. NFPA.

Narrative

I responded to the above location for a CO alarm, called in by the home owner. Upon arrival, I spoke to the owner, Dennis Carletta, who stated his CO alarm activated, waking him from his sleep. Shortly after, his wife felt light headed and evacuated the house. CNFD arrived, took over command of the scene and confirmed the house had CO inside. The cause of the CO was the exhaust fumes coming from the generator. CNFD aired the house out to a safe level and turned off the generator, allowing the residents to return inside. Prior to returning into the residence, I asked the residents if they required medical attention from CNFA, to which they stated no.
