On September 22, 2012, at approximately 2:25 PM I was detailed to the area of Ivy Lane West for an open fire reported by Mercer County Central. Upon arrival I saw East Windsor Fire already on scene at 41 Ivy Lane West. I met with the home owner Jeffrey Skinner, who advised me he was demolishing his shed in the back yard and burning the wood remains. The fire was extinguished and the Fire Chief advised Mr. Skinner about the township ordinance restricting open burning fires.

No further involvement needed.
