Lab Case Number: 2017-3283	Case Type: Suicide	Report Number: 2
Submitting Agency: OCSD		
Agency Case Number: 2017-00064743 BRK		
Case Detective: Michael O'Hearn		
Scene Location: 1624 West Princeton Avenue Brick NJ		
Other: Flick, Dianne, DOB 04/25/1953		
Victim: Flick, Michael, DOB 02/14/1945		

This laboratory report fairly and accurately documents the types and results of the analyses performed; and affirms that the person signed below is responsible for the analyses, reviewed the results and the conclusions set for in the above laboratory report; that person's training and experience is fairly and accurately documented in the curriculum vitae which is on file at the Ocean County Sheriff's Office; and that the equipment used to perform the types of analyses described above was functioning properly.

As per 2C:35-19, upon the request of the Prosecutor or submitting agency, the laboratory will issue a certified and notarized copy of the laboratory report.

SCENE INFORMATION AND RESPONSE

On Saturday September 23, 2017 at approximately 0523 hours I, Detective Sergeant Michael O'Hearn #112 responded to 1624 West Princeton Avenue in Brick Township in reference to a reported suicide. Upon arrival I met with Patrolman Rotondo, Patrolman Oliverio, and Detective Waleski of the Brick Township Police Department who advised me of the known case details. Also present at the time of processing and assisting with the investigation were Detective Schwartz of the Ocean County Prosecutor's Office, and Doctor Larkin of the Ocean County Medical Examiner's Office. The weather conditions were 66.8 F / 19.3 C; Humidity: 63.0%; clear sky.

OBSERVATIONS

Upon arrival I observed 1624 West Princeton Avenue to be a green single level residence facing west on the east side of the road. There were no signs of forced entry into the residence and the residence was in a neat and organized condition with no indications of a struggle. The N/E bedroom was located at the north end of the hallway. The decedent was observed to be lying on his back on the mattress in the bedroom. A hand written note was observed on the mattress to the west of the decedent. A black 22-caliber revolver was observed to be on the decedent's lap resting across his right leg facing west. The revolver was observed to have one spent 22 caliber cartridge case in the cylinder underneath of the hammer and 5 live 22 caliber cartridges in chambers 2 through 6.

The decedent was observed to be Body - Adult Male located in the N/E bedroom and was identified as Michael Francis Flick. The decedent was observed to be a white male with gray

hair and blue eyes. The decedent was observed to be lying on his back on the mattress in the N/E bedroom. The decedent was positioned on the mattress with his head facing north, his arms extended straight along his sides facing south, his legs bent over the south side of the mattress. The decedent was clad in a black T-shirt, blue jeans with a brown belt, and white socks. The decedent was in full rigor mortis with fixed lividity on his back. The decedent's axillary body temperature was 86 degrees Fahrenheit and the ambient room temperature in the N/E bedroom was 75 degrees Fahrenheit. The decedent was observed to have gunshot entrance wound to the left side of his head near his temple. Gunpowder residue was observed on the left side of the decedent's head around the gunshot entrance wound. There was no exit wound to the decedent's head.. The body temperature was take at and was noted to be 86.0 F.

SCENE PROCESSING

Photographs were taken for identification and documentation purposes. Doctor Juarez of Newark Beth Israel Hospital pronounced the decedent at 0429 hours. A gunshot residue evidence collection kit was conducted on the decedent's hands and submitted into evidence. The decedent was placed into a white body containment bag that I sealed at 0640 hours on September 23, 2017 utilizing tag #1444714. The decedent was transported to Community Medical Center by Colonial Funeral Home pending a postmortem examination. No further services were rendered. I cleared from the scene at 0815 hours.

The following photos were taken:

- 1-2 Overall Exterior Views of Residence
- 3-9 Front Entrance door / Door Locking Mechanisms
- 10 Bedroom Hallway
- 11-27 Overall Views of N/E Bedroom
- 28-34 Overall Views of Decedent
- 35-40 Decedent's Face
