OfficerID: Gturner, Incident Report Narrative

On 10/2/13 at 1045 hrs, I responded to Shore Renal Care (1617 Route 88 Suite 101) reference to a suspicious condition. Upon arrival, I met with [REDACTED] who reported that unknown actor(s) knocked over lock boxes that were located on the steps of the building near the entranceway. The actor(s) also tore down a paper sign that had been affixed to the entrance door. There were no lab specimens in the lock boxes at the time and the paper sign was an 8 1/2 x 11 sheet of paper that was taped to the door. No damage was observed or reported by [REDACTED] and the estimated time of occurrence was between 1700 hrs on 10/1/13 and 0830 hrs on 10/2/13.

[REDACTED] reported that an upstairs tenant was in the process of moving out of the building under unfavorable terms. The tenant was identified as Ocean Renal Associates and nobody was present from that business at the time of this report. [REDACTED] was unsure if anyone from Ocean Renal Associates was involved in the incident and requested that the incident be documented in case of additional issues at this address.
