Narrative

I responded code two to the listed area for a noise complaint. The caller advised there is loud music coming from the parking lot of the Shipwreck Grill. She further advised that she did not wish to speak to this agency. Upon arrival, contact was made with [REDACTED] who was seated in the listed vehicle that was facing the water in the parking lot of the Shipwreck Grill. When arriving on scene, I was unable to hear any borough ordinance noise violations coming from the vehicle. [REDACTED] advised he is currently attempting to make and record music. [REDACTED] provided me with his credentials and was checked for warrants yielding negative results. [REDACTED] understood that he was unable to play music to a volume that others would be able to hear at this hour. [REDACTED] then left the scene without incident. Nothing further to report at this time. Incident captured on MVR / BWC of 168 and 174.
