Field Notes don't exist

On the above date at approximately 0336 hours, I responded (priority 2) in marked patrol vehicle #2307 to the area of 710 S Rt 73 for a report of a domestic [REDACTED]. Through investigation, reasonable suspicion was established that the male (Eric Perez) was potentially driving while intoxicated, and field sobriety tests were being conducted.

The first test performed was the Horizontal Gaze Nystagmus tests. I conducted this test. Perez stated that he has no medical problems with his eyes. Test resulted in the findings of lack of smooth pursuit and Nystagmus at maximum deviation in both eyes. I also observed Nystagmus onset prior to 45 degrees in both eyes. As I performed the HGN test, I observed Perez swaying back and forth. Final two tests were conducted by Patrolman Dilorenzo #177.

It should be noted during the impound of the vehicle, an open beer can was located inside the vehicle in the area of the center console. Keith Smith responded and took possession of the vehicle with an 12 hour hold. See original case report for further.

Field Notes Do Not Exist

On Saturday 8/10/2024 at approximately 03:36hrs I responded priority 2 in marked patrol vehicle 2209 to 710 S Rt. 73 (Willow Ridge Shopping Center) for the report of a [REDACTED]. Central communications advised the male half was no longer on location and was operating a Mini Cooper vehicle. The female party was reporting that she was walking in the area of the Ulta Beauty store. Upon my arrival the first units on scene were speaking with the female caller, now identified as Veronica Chevere-Gonzalez. [REDACTED]

[REDACTED] During my initial contact with Veronica she explained that she was trying to work things out with her ex-boyfriend, now identified as Eric G. Perez, which brought her back to Pennsylvania from her home state of Florida. Chevere-Gonzalez advised that she and Perez were attempting to drive to a hotel in New Jersey [REDACTED]

While units were speaking with Veronica, Sergeant Hatler #137 observed a male individual walking on North Rt. 73 directly across the highway. The male was ultimately discovered to be Eric G. Perez, who voluntarily walked over to the units and cooperated with the investigation. Below is a summary of the statements provided by both of the involved parties:

Eric Perez

Eric stated that Veronica was his ex-girlfriend and they previously dated for three years. Eric explained that he and Veronica left her sister's house in Philadelphia and he was driving to find a hotel in New Jersey for them to stay for the night. Eric stated that during the drive, Veronica fell asleep which prompted him to pull over in the Target parking lot at (751 RT 73 S) and see if she wanted him to take her back to Philadelphia.

Eric said during his attempt to pull into the Target parking lot Veronica woke up and became irate yanking his keys out of his Mini Cooper while cursing at him. Eric stated that he attempted to retrieve his keys from Veronica at which point [REDACTED]

[REDACTED] Eric stated that he saw Veronica take off running into Willow Ridge Shopping Center parking lot and saw her fall multiple times. [REDACTED]

[REDACTED] While speaking with Eric, I observed [REDACTED]

[REDACTED] Eric was adamant that Veronica was the primary aggressor during their dispute and that she was [REDACTED]

the party responsible for starting the fight. [REDACTED]

Veronica Chevere-Gonzalez

Veronica reported that she was abruptly woken up by Eric cursing at her for falling asleep and wasting his time. Veronica stated during that moment Eric attempted to take her purse from her in order to leave her stranded. She responded by taking Eric's keys out of his vehicle to prevent him from taking her purse. Veronica said after getting out of Eric's vehicle she was approached by Eric for his keys at time which she refused to give them back.

Veronica stated [REDACTED]

[REDACTED] Veronica said she fell while running away from Eric across Rt. 73 and into Willow Ridge Shopping Center, which caused [REDACTED]

[REDACTED] Veronica was advised that she can pursue criminal complaints [REDACTED]

After speaking with both parties, the determination was made that both Perez and Chevere-Gonzalez engaged in a mutual dispute that became physical after Chevere-Gonzalez removed Perez's keys from the ignition of his vehicle. [REDACTED]

[REDACTED] Sgt. Hatler contacted Evesham Township Municipal Judge Caplan and briefed her on the incident. Judge Caplan found probable cause for Eric Perez to be charged with Aggravated Assault Strangulation on a summons. Judge Caplan also found probable cause to charge Chevere-Gonzalez with simple assault for her involvement in the dispute [REDACTED]. A companion case has been completed related to Chevere-Gonzalez's arrest for DV Simple Assault. Refer to 2024 - 41613 for further.

During the investigation [REDACTED] units observed open alcohol containers inside Eric Perez's vehicle. It should also be noted that I detected the odor of an alcoholic beverage emanating from Eric's breath during the field interview. I also observed his speech to be slurred and he spoke in an excited manner. When asked about alcohol consumption, Perez admitted to drinking Miller Lite beers while in Philadelphia. Perez confirmed that he had not consumed any alcohol while parked at the Target and none

while he was outside of his vehicle after the domestic dispute. Based on this information and my observations, I suspected that Perez had operated his vehicle while under the influence and had the intention to continue to do so once he secured the keys that were taken by Chevere-Gonzalez. Prior to placing Eric Perez under arrest [REDACTED] a DWI investigation was conducted with the assistance of Patrolman Nicholas DiLorenzo #177. Refer to Ptl. DiLorenzo's supplemental report regarding the Field Sobriety Tests.

At the conclusion of the Field Sobriety Tests, Eric was arrested for DWI in addition for Aggravated Assault Strangulation. I placed Eric under arrest by handcuffing him behind the back and double-locking the handcuffs. Eric was then searched incident to arrest which yielded negative results and secured in vehicle 2209 with a seatbelt after Patrolman DiLorenzo confirmed the prisoner compartment was clear of contraband. Perez vehicle was impounded and a vehicle inventory report/tow sheet was completed by Patrolman Schepis #213.

Ptl. DiLorenzo and I transported Eric to Medford Township police headquarters because they had an Alcotest operator on duty. Upon arrival, I secured my duty weapon in the lock box in the sally port and escorted Eric into the Medford Township processing room. At this time Patrolman DiLorenzo read Eric the New Jersey Attorney General's Statement for Motor Vehicle Operator and he agreed to provide samples of his breath for testing. The Alcotest machine was operated by Medford Township Patrolman T. Shockley and Eric was found to have a BAC of 0.13%. Refer to DiLorenzo's supplemental narrative for additional information related to the processing of the DWI charges.

Eric was then transported back to Evesham Township Police headquarters for further processing. Upon arrival, I secured my duty weapon in the lock box in the sally port and escorted Eric inside to the booking area. Eric was fingerprinted and photographed without incident. He was charged with Aggravated Assault Strangulation on Summons 0313-S-2024-412. He was given a court date of 9/16/24, 0900 hours, at Burlington County Superior Court. At the conclusion of processing, Eric was released to a Yachira Perez-Rivera, who signed the potential liability form.

It should be noted that while Veronica Chevere-Gonzalez was at police headquarters, [REDACTED]

[REDACTED] No further action taken at this time. All body worn camera, patrol vehicle MVR and booking area recordings were tagged appropriately and entered into evidence.

This case is closed pending the disposition of the court.

OBSERVATION:

On Saturday August 10, 2024 at approximately 0336 hours I was assigned as Ptl. Cruz's Field Training Officer. During this time, Ptl. Cruz and I responded priority 2 in marked patrol vehicle 2209 to 710 South Route 73 for a report of [REDACTED]. The caller reported the male was no longer on location but was operating a Mini Cooper vehicle.

Upon arrival, we made contact with the female caller, [REDACTED] and learned that she and her ex-boyfriend, Eric Perez engaged in a physical altercation. During the course of the investigation, Eric's silver in color Mini Cooper (PA MGT4952) was located in the parking lot of Target located at 751 South Route 73. Inside of Eric's vehicle was several open Miller Lite beer cans. It was confirmed with Eric and [REDACTED] that neither of them consumed the Miller Lite while driving in the vehicle or while they were parked at Target.

In addition, while speaking with [REDACTED] and Eric they advised they were in Philadelphia where they consumed alcoholic beverages. Eric confirmed that he was driving his vehicle when he pulled into the Target parking lot and did not consume any alcohol at that time. Eric did however admit to drinking 4 to 5 beers while in Philadelphia before he drove his Mini Cooper in our jurisdiction.

In my interactions with Eric, I detected the strong odor of an alcoholic beverage emanating from his breath when he spoke. I also observed his eyes to be glassy and watery. His speech was slurred and his clothing was dirty and covered in blood as a result of a physical altercation he and Veronica had engaged in.

Due to Eric's admission of consuming several beers prior to departing Philadelphia, the odor of an alcoholic beverage coming from his breath, his glassy and watery eyes, and slurred speech, I decided to put Eric

through field sobriety tests.

FIELD SOBRIETY TESTS:

The field sobriety tests were completed in the parking lot of Willow Ridge Shopping center. The testing area was level and clear from debris and the tests were completed in front of my patrol vehicle. Eric was asked if he had any issues that would affect his ability to perform the test and he stated [REDACTED] when he was a child from climbing fences.

HGN:

Ptl. Goess conducted HGN on Eric. Please see Ptl. Goess' supplemental report for further details.

WALK AND TURN:

The first test I conducted on Eric was the walk and turn test. Eric was instructed to stand in the starting position by positioning his right foot in front of his left with his heel touching his toe and his hands by his side while I gave him the instructions. After getting into the starting position, Eric stepped off the line and had to be instructed to return to the starting position as demonstrated. I instructed Eric to walk 9 steps forward by touching his heel to his toe with his arms at his side and counting each step out loud. Eric was instructed that on his ninth step to keep his foot planted and turn around to take 9 steps back to the starting position. Eric was told that his nine steps back to the starting position would be done in the same heel to toe fashion. I demonstrated the test in its entirety and Eric acknowledged he understood the instructions.

Eric began the walk and turn test and was swaying and moving his arms away from his side. On his fourth step he raises his arms forward, away from his side. On his sixth step, his arms were out and away from his side. On his eighth step he again moves his arms forward, and on his ninth step he appears to lose his balance and step off the line with his left foot. Eric then improperly turned around by planting his right foot and turning the opposite way that was instructed. On his first step back he steps off the line and has to reposition his left foot back in front of his right.

ONE LEG STAND:

The next test conducted was the one leg stand. Eric was instructed to start by placing his feet together with his arms at his side while I gave him the instructions. Eric was instructed to lift a leg of his choosing off of the ground approximately six inches with his toes pointed forward keeping his arms at his side. Eric was instructed to count out loud 1001, 1002, 1003... until instructed to stop. Eric was advised that if he was to drop his foot to raise it back up and to continue counting where he left off. Eric confirmed he understood the instructions for the one leg stand test.

Eric began the test with his left leg raised. He began counting with 1002, skipping over 1001. He places his foot down on after counting 1009. He raises his left foot back and continues counting until he reaches 1012 when he again puts his left foot down and says [REDACTED]. He briefly stops the test before

again raising his left foot. He counts out loud 1013, but says 14 instead of 1014, continues counting until 1016 when he puts his foot down again and loses his balance. At that time, his left foot goes behind his right leg and again says out loud [REDACTED].

PROBABLE CAUSE FOR ARREST:

Based on Eric's admission of consuming beer before driving his vehicle from Philadelphia to Evesham Township, the odor of an alcoholic beverage coming from his breath, his slurred speech, glassy and watery eyes, failure to perform field sobriety tests and my training and experience in DUI investigations I believed Eric was operating his vehicle under the influence of alcohol.

Eric was advised he was under arrest for DUI and was handcuffed behind his back by Ptl. Cruz. Search incident to arrest yielded negative results for contraband. Eric was placed in a seatbelt in the rear prisoner compartment of patrol vehicle 2209. Myself and Ptl. Cruz then transported Eric to Medford Township Police Department as they had an Alcotest operator on duty. Eric's vehicle was impounded by Keith Smith Towing.

EN ROUTE TO MEDFORD TOWNSHIP POLICE DEPARTMENT:

During the transport, I detected a strong odor of an alcoholic beverage in the prisoner compartment of patrol vehicle 2209 that was not present prior to Eric being placed inside.

AT MEDFORD TOWNSHIP POLICE DEPARTMENT:

Upon arrival, I placed my duty weapon and taser in the lock box in the sally port. Eric was removed from my patrol vehicle and escorted into the booking area. I read Eric the New Jersey Attorney General's Standard Statement For Motor Vehicle Operators Form and he agreed to provide samples of his breath for testing. Eric's mouth was checked and appeared to be clear. After the 20-minute observation, Medford Township Police Officer T. Shockley #104 operated the Alcotest machine and obtained samples of Eric's breath. At the conclusion of obtaining Eric's breath samples, he was found to have a BAC of 0.13%. Refer to Officer Shockley's supplemental report written under Medford Police Case#2024-25241 regarding his operation of the Alcotest machine. Eric was then escorted back in to the prisoner compartment of patrol vehicle 2209 and transported to Evesham Police Headquarters.

EN ROUTE TO EVESHAM POLICE HEADQUARTERS:

During the transport, I again detected a strong odor of an alcoholic beverage in the prisoner compartment of patrol vehicle 2209 that was not present prior to Eric being placed inside.

AT EVESHAM POLICE HEADQUARTERS:

Upon arrival, I secured my duty weapon and taser in the lock box in the sally port. Eric was removed from my patrol vehicle and escorted into the booking area where he was handcuffed to the bench. Eric was read his Miranda Warnings and signed the form acknowledging. Eric was issued the following summons: E24-4373 (39:4-50), E24-4374 (39:4-96), E24-4375 (39:4-51B). His court date is scheduled for 9/4/24 at 0900 hours at Evesham Township Municipal Court.

Yachira Perez-River responded to police headquarters and signed the Potential Liability Form for Eric. Eric

was then released from police custody without incident. It should be noted the rear prisoner compartment of patrol vehicle 2209 was checked for contraband before and after each transport of Eric with negative results for contraband.

All necessary DUI paperwork was completed. No further action taken at this time.

On Sunday August 11, 2024, at approximately 1859 I was dispatched to [REDACTED] for a report of a white female, black shirt, jean shorts, barefoot walking around the neighborhood acting erratic claiming that [REDACTED]

While driving down [REDACTED] I saw a white female that matched the description sitting down on the front lawn of [REDACTED] holding a black pug dog. The female was later identified as Amber Stuart. I spoke with Amber while Sgt. Hatler and Ptl. Nguyen made contact with [REDACTED] inside of the residence. I could see that [REDACTED] shirt appeared to be stretched around the collar as if it was pulled on. [REDACTED] gray shirt also looked like it had some type of liquid covering a large portion of the front of it.

While talking to Amber she began to talk about her dog and how the dog should have named himself. Amber appeared to be in some type of manic state as she was making irrational comments and observations. She was easily distracted and would switch topics of discussion while we were trying to speak with her. She even referenced how myself and Ptl. DiLorenzo's hands were placed while were standing although my hands were together in front of my body. She showed concern over who called 911 regarding this incident as well.

Amber explained how her [REDACTED] because he is a "dirty bird" and was not truthful. She stated that this all happened today, it should be noted that Amber did not appear to have any type of injury to her arm. When asked about the confrontation she had with [REDACTED] she stated there was not one.

Sgt. Hatler relayed that while speaking with [REDACTED] inside the home he reported that he noticed a change in Amber's [REDACTED] also noticed that she had begun drinking vodka early in the day and continued throughout. [REDACTED] stated that Amber followed him around the house, was confrontational, and had been consuming alcohol [REDACTED] he separated himself by going in the basement when Amber also went in the basement and [REDACTED]

Amber was then search incident to arrest by Patrolman Nguyen which yielded negative results and was then secured in vehicle 2209 with a seatbelt. The prisoner compartment was checked prior to Amber entering with negative results for contraband. Shortly after, I was advised by Sgt. Hatler that Amber would also be charged with Obstruction due to the fact she was told not to enter the house while I was inside speaking with [REDACTED] Amber ignored officers commands and pushed by Ptl. Nguyen to enter the residence.

Ptl. DiLorenzo and I then transported Amber to Evesham police headquarters for processing. Upon arrival, I secured my duty weapon in the lock box in the sally port and escorted Amber inside to the booking area. Amber was fingerprinted and photographed without incident. Out of an abundance of caution to alleviate any further issues between [REDACTED] and Amber, Amber was asked if she would be willing to stay at a hotel for the remainder of the evening, and she agreed to. Ptl. Nguyen responded to [REDACTED] and gathered belongings for Amber. I then provided a courtesy transport for Amber to the Comfort Inn Hotel in Mount Laurel without incident.

On August, 2024 at approximately 1859 hours, I responded priority two in vehicle 2004 to the area of [REDACTED] for a suspicious female making bizarre statements to neighbors. Female was described to be approximately 40s of age, blonde hair, jean shorts with no shoes. Ofc. Cruz #219 located the female on the front yard of [REDACTED]. Units remained with the female outside, and I made contact with [REDACTED] inside of the property. [REDACTED]

[REDACTED] Amber Stuart, has been drinking alcoholic beverages and displayed signs of intoxication. [REDACTED] stated the couple had verbal arguments about various matter throughout the day. [REDACTED]

[REDACTED] Ofc. Cruz #219 came inside the residence, I returned outside and made contact with Amber. Amber held her dog with one arm and proceeded to walk towards the front door. I advised Amber to remain outside during the investigation. Amber disregarded my command and shoved me with her other arm. I demanded Amber a second time to remain outside, Amber approached the front door a second time. I blocked the front step area with my body and Amber grabbed my wrist. Knowing that Amber was imminently going to be arrested, units did not want to be bitten by the dog nor did we want dog to run loose. Once it was clear that Amber was not going to cooperate the determination was made that the safest way to arrest her without incident was to escort her to the door so she could place the dog down. Once at the front entrance Amber was advised by officers she was under arrest for assault. Ofc. Cruz #219 handcuffed the female and escorted her to his patrol vehicle. I conducted a search of Amber's person. She was negative for any contrabands or weapons. Amber was secured into prison compartment with a seatbelt.

I returned in the residence to provide [REDACTED] Photographic evidence of his injuries were captured and place into evidence portal. I followed Ofc. Cruz #219 to police headquarters to assist in processing. I updated Detainee form and took pictures [REDACTED]

Once Amber was cleared from police headquarter, I responded to [REDACTED] and picked up her belongings from [REDACTED]. Belongings were passed over to Ofc. Cruz #219. Amber will spend the remainder of her night at a different location.

While on location, contact was made with the suspect, later identified as Anthony Balog inside the bedroom. Balog was intoxicated and became belligerent towards officers. Balog stood up completely naked from the bed and asked if we wanted to see a magic trick before bending over and spreading his butt cheeks in a manner to expose his anus. Balog became increasingly aggressive towards police and came face to face to me. Balog then assaulted me by striking me in the chest with his hand. At this time, Balog was advised he was under arrest. Balog was placed under arrest by Patrolman Dilocenzo and Patrolman Cruz and transported to headquarters.

On August 14, 2024, at approximately 2239 hours, I responded priority two in vehicle #2203 for a physical domestic which recently occurred at [REDACTED]. Upon arrival, units made contact with the female party who explained that [REDACTED]. She notified that he was heavily intoxicated and likely sleeping. Units proceeded to make contact with Balog, after receiving permission [REDACTED] to enter the residence. He was located asleep in his bedroom. Upon being woken, he was noticeably intoxicated and belligerent. He would continue to speak with profanities and derogatory terms for the duration of this incident. Units attempted to ascertain his physical and mental condition. [REDACTED] was completed nude, and items had been damaged throughout the apartment. [REDACTED] After further conversation he proceeded to physically shove Ofc. Goess #22173 after being warned not to do so. See Ofc. Goess' supplemental case narrative for information regarding Balog's subsequent arrest.

Upon Balog being taken into custody, he was transported to police headquarters where I assisted with the booking process. He continued to be uncooperative, at one point kicking me in the leg. This occurred after several threats from Balog stating that he would strike officers if given the opportunity. An additional aggravated assault charge was levied due to this. It became clear that Balog would not participate in the fingerprinting process given his behavior and specific demands that he would not be fingerprinted by Officer Cruz #22219. He was charged accordingly for Refusal to Fingerprint. At the conclusion of the booking process, he was transported [REDACTED] to Burlington County Jail for incarceration. This case is considered closed.

On Wednesday August 14, 2024 at approximately 2239 hours I responded priority 2 in marked patrol vehicle 2209 to the area of [REDACTED] for a report of a domestic dispute [REDACTED]. Central communications advised the female would be waiting in her vehicle just outside of the apartment complex.

Upon arrival, units met with the female, [REDACTED] who was in the drivers seat of her vehicle. [REDACTED] report that she recently visited Minnesota and met up with her ex-boyfriend. When she returned, [REDACTED] Anthony Balog, found out about her contact with her ex-boyfriend and has been upset over it. Today, [REDACTED] reported that Anthony left the residence to go fishing and when he returned he was intoxicated.

According to [REDACTED] Anthony was destroying the residence, throwing shampoo bottles and breaking furniture. [REDACTED]

[REDACTED] additionally reported that Anthony was intoxicated to the point where he was vomiting. At one point, Secret stated that Anthony [REDACTED]

[REDACTED] she was unable to respond to the station at the moment and had to make arrangements for child care.

At this point, due to the report of Anthony's high level of intoxication and the report of him almost choking on his vomit, and the children being inside of the residence it was determined police would conduct a well being check on Anthony and the children. [REDACTED] gave permission for police to enter the residence advising that the front door should be unlocked.

Upon entering, announcements were made to Anthony that it was the police. I noticed broken furniture and items thrown throughout the residence. I also observed what appeared to be a bathroom door damaged and broken off of the hinges. Units entered the bedroom where Anthony was laying in his bed.

[REDACTED] Ptl. DiLorenzo verbally tried to wake Anthony up. After several attempts, Anthony was able to speak and began to mumble and make obscene gestures with his fingers and mouth and then gave the middle finger to officers.

It should be noted that I detected the odor of an alcoholic beverage emanating from Anthony's breath, his speech was slurred and he spoke in an aggressive and belligerent manner. While continuing to speak with Anthony he got out of bed and bent over at the waist and proceeded to spread his buttocks while making obscene jokes. Anthony then proceeded to tell Officers to "Get the fuck out his place" while approaching and striking Ptl. Goess #173, in an aggressive manner. Anthony was then informed that he would be placed under arrest if he did strike Ptl. Goess. Anthony then appeared to deliberately strike Ptl. Goess in the chest and was immediately placed under arrest. Myself and Ptl. DiLorenzo handcuffed Anthony behind his back and double-locked the handcuffs. Ptl. DiLorenzo checked on the two children and found them to be asleep with no issue.

Anthony was clothed and then escorted out of the residence to my patrol vehicle. During the escort Anthony continually tensed up while trying to turn and face myself and Ptl. Umbehauer. Upon approaching my patrol vehicle, Anthony attempted to place his feet on vehicle 2209 to prevent units from placing him inside. Ptl. DiLorenzo confirmed the prisoner compartment was clear of contraband and Anthony was secured in vehicle 2209 without incident.

During the transport to Evesham Township Police headquarters Anthony was challenging officers to fight him after the end of their shift, was using racial slurs towards myself, cursing and yelling. Upon arrival to police headquarters I secured my duty weapon in the lock box in the sally port.

While escorting Anthony into the processing room he attempted to stop multiple times. He was brought in to the booking area where he was handcuffed to the bench. Anthony's tumultuous behavior continued and he began to stand up and yell and had to be told to remain seated. He then attempted to reach for Sgt. Borbidge at which point Anthony's left hand had to be handcuffed to the bench in addition to his right. During this time, Anthony kicked Ptl. Umbehauer in the leg. See Ptl. Umbehauer's supplemental case report for further.

I attempted to ask Anthony the detainee screening questions but he was uncooperative and did not answer. It should be noted that Anthony had a [REDACTED] that was present prior to contact with police. This injury was noted on the detainee question log. Anthony was checked through ACS, ATS, NCIC, and CODIS with negative results.

When it was time to take Anthony's fingerprints, Ptl. DiLorenzo asked Anthony if he would be cooperative at which point he made threats that he would assault Ptl. Cruz if he was still in the booking area during the fingerprinting. Due to this statement about assaulting Ptl. Cruz, and to prevent another assault on an officer Anthony was charged with Obstruction and not fingerprinted.

Judge Caplan was contacted regarding this incident and authorized Anthony's charges on a warrant (0313-W-2024-424). Anthony was charged with two counts of Aggravated Assault on a Law Enforcement Officer and Obstruction.

On August 23, 2024 at approximately 2110 hours, I was advised by my commander to respond to the command post at the St.Joan of Arc carnival located at 100 Willow Bend Rd to take a report for an aggravated assault. Upon arrival contact was made with juvenile victim [REDACTED] who advised that another juvenile had brandished a knife at him during an altercation. [REDACTED] further advised that the juvenile suspect, later identified as [REDACTED] had blown vape smoke in his face. In reaction to this [REDACTED] shoved [REDACTED] and in response [REDACTED] removed a lock blade pocket knife from his pocket, opened it, and threatened [REDACTED] with it. [REDACTED] retreated and immediately notified police and

provided a description of a white male, approximately 15 years old wearing a blue baseball cap with a white bandana underneath. [REDACTED] was contacted and advised of the situation. She responded to the command post, took custody of [REDACTED] signed a juvenile release form, and was provided a victim notification form.

A short period later I located that suspect and made contact with him. Immediately upon making contact with the male he indicated that he did not commit the crime and it was rather his friend standing next to him, identified as [REDACTED]. Upon hearing this [REDACTED] ran away on foot through the carnival a short distance and was immediately apprehended near Evans Rd. The pocket knife was located on him and secured. [REDACTED] was then handcuffed behind his back, his property secured, and he was escorted back to the command post for processing. [REDACTED] was contacted and responded to the command post. Upon her arrival [REDACTED] was read his rights after which he advised he carried a pocket knife for protection and that he ran because he was scared. Duty AP Blasi was contacted and advised of the situation and opted for [REDACTED] to be released on a summons. He was charged with Aggravated Assault and Unlawful Possession of a Weapon (0313 JC2024-27). Court date is pending Burlington County Superior Court contact with Evgenia White. All pertinent juvenile paperwork was complete with a juvenile checklist.

Summary

Agency: Evesham Township Police Department
Agency #: NJ0031300

Print Date/Time: 02/11/2025 07:54

[REDACTED] for a report of a [REDACTED] Upon my arrival I was met by [REDACTED] and Layla Jackson who were arguing over [REDACTED] keys. While speaking to [REDACTED] she was crying hysterically. [REDACTED] was so upset she couldn't provide much information about the situation. [REDACTED] Dion Williams Jr. a black male, wearing a blue shirt, gray pants and black shoes. All of this information was put over the radio to the responding units. I then spoke to Layla who reported that there was an argument between [REDACTED] and Williams Jr. Layla stated that the argument was over candy and there was a fight over the keys to [REDACTED] vehicle, a blue Hyundai (PA-MCD3844).

[REDACTED] Layla stated that there was an argument over candy and then Williams Jr. wanted the keys to the vehicle to leave location. Layla stated that she put the keys in her pants because it is her mother's vehicle and didn't want him to take the vehicle. Layla stated that at this time she was inside of her apartment and heard a gunshot and she went outside saw the gun and saw Williams Jr. flee in an unknown direction.

Shortly after Ptl. Addezio #170 located a black male, wearing a black shirt and gray sweatpants with dreadlocks and had blonde highlights. I then asked [REDACTED] and Layla if this was the male in question and Layla stated that this was a friend that was on location for the incident and only knew his nickname was "CJ". (See Ptl. Addezio #170 case supplemental report). I then gathered all possible information for Williams Jr. and it was all provided to Sgt. Borbidge #105. Multiple K9 tracks were conducted in the area. [REDACTED] stated that Williams has an address with his brother at 3 Bradford Avenue, Hamilton, NJ 08610, and resided with [REDACTED] at her residence at [REDACTED]. It was also reported that Williams Jr. works at [REDACTED] in Hamilton NJ and had to be at work by 1800. Central Communications was provided with all locations that Williams Jr. could be headed to and was informed to notify all police departments that he could be going to. Layla informed me that her mother was on the phone with Williams Jr. and that he was in an Uber on 295 heading northbound.

A search was conducted for the casing of the bullet that was shot off by Williams Jr. and it was unable to be located. A consent to search was conducted on the Hyundai (PA-MCD3844) by Det. DeFrancesco #123 (see Det. DeFrancesco's case supplemental report).

At this time a friend of Layla's mother arrived on location and transported her back to police headquarters for an interview with the Detective Bureau and I followed [REDACTED] to police headquarters. Upon our arrival at headquarters I escorted [REDACTED] into interview room #1. [REDACTED] stated that she didn't want to pursue any complaints [REDACTED]

Field notes do not exist

On August 27, 2024 at approximately 1339 hours, I responded priority 1 to the area of Baker Blvd and RT73 for report of a domestic dispute with shots fired by the suspect. Upon arrival in the area a perimeter was established where I was on the north side of the Chic-Fil-A standing by. I observed a black male exit the restaurant that fit the description of the suspect. the male, later identified as Cyllan Little, walked out of a south exit and proceeded to walk to the sidewalk of RT73 northbound. At that time I made contact with Little and he provided his name and stated that he resided in Willingboro. When asked where he was coming from prior to eating he stated [REDACTED] which is the location of where the incident occurred. At that time I was joined by Ptl. Bonilla #202 and Little was detained.

At that time a check for weapons was performed on Little as well as the bag he was carrying with him by Chief Miller #2200. The bag was found to contain a single Percocet pill in a small plastic baggie for which Little was advised he was now under arrest. Little was secured in the rear of vehicle 2203 after he was checked for any contraband. He was transported to Evesham police headquarters for processing without incident. Upon arrival at HQ my firearm and CED were secured and Little was removed from the rear seat and escorted to the cell block. The rear seat of the vehicle was checked prior to and at the conclusion of transport. Little was booked by screening, fingerprinting, and was photographed. He was charged with Possession of CDS (0313 S2024-448) with a court date of October 7, 2024 at 0900 hours.

On August 27, 2024 at approximately 1340 hours I responded priority 1 in marked patrol vehicle 2203 to 10 Baker Boulevard for the report of a domestic involving a discharged firearm.

Upon arrival, units began establishing a perimeter and I shut down northbound traffic on NJ-73 near Caliber Collision center. While units were searching the area, the suspect description was broadcasted as a heavyset black male with a fanny pack and possible dark-colored clothing. Shortly after, Patrolman Addezzio #170 conducted a pedestrian stop on a male fitting this description, later identified as Cyllan Little, in front of Chick-Fil-A.

Cyllan was questioned regarding the incident and confirmed being present at the scene of the crime, (unit 49). Cyllan was detained and interviewed on-scene prior to being placed under arrest by Patrolman Addezzio for the possession of suspected narcotics. I then placed Cyllan in the prisoner compartment of my patrol vehicle, which was searched and found clear prior to Cyllan also being search and placed in my vehicle. It should be noted that Cyllan was checked for warrants and CODIS on scene via Countywide Dispatch and was found negative all around. I then stoodby as units continued to search the area for the shooting suspect. During this period, K-9 Officer Hickman #148 conducted several tracks with K-9 Lee to include a track which used Cyllan's person for an article/scent search. Please refer to K-9 Officer Hickman's report.

As the perimeter collapsed with searches yielding negative findings and cellphone pings were being actively tracked on NJ 295, it was determined that Cyllan needed to be interviewed by the detective bureau, and I transported him back to police headquarters for same without incident. Cyllan was then transferred to the detective bureau where he was interviewed by Detectives Defrancesco #123 and Mortilletti #190. At the conclusion of his interview, he was placed back into the booking area where he was processed and released on a summons, (see Patrolman Addezzio's report for charging and

Layla stated that the argument began in the residence due to Mamba candy. Dion reportedly had a pack of 4 of the candy, where Layla's 2 year old son took one. [REDACTED] Dion then fled the scene on foot.

While at the residence, [REDACTED] agreed to respond to police headquarters for a statement. However, she would only respond with her father present. While awaiting her father's arrival at the residence, [REDACTED] became less cooperative. She no longer wanted to answer specific questions about Dion. On the above date and time, I responded to [REDACTED] a [REDACTED]. Upon arrival, I assisted units on scene. It was reported that the suspect had left location on foot. Subjects on location advised no property from the suspect was on location. A vehicle in which the suspect had entered was in the parking lot. At this time, I obtained a scent article by gauzing the rear driver's side door handle. I escorted K9 Lee to the last known location at the rear of Marine Corps Recruitment office. At this time, K9 was provided scent article. K9 immediately trailed north along N Route 73. K9 trailed to Chic-Fil-A and displayed proximity alert. Building was checked and found negative. K9 then trailed into parking lot of Flemmings. K9 provided negative alerts to the north and on opposite side of Route 73. I was made aware that the suspect had an acquaintance on location during the incident. It was found that the acquaintance was also in the vehicle during the dispute and had left location on foot. This subject had walked into the Chic-Fil-A and then exited north before being contacted by Evesham Police.

I responded back to the incident location to obtain a second scent article and conduct a secondary trail. Upon arrival, I obtained a scent article (gauze driver door handle). K9 was escorted to suspect's acquaintance who was in custody with officers in the parking lot of apartments. I advised him of K9 Lee needing to cancel his scent. Subject advised he was ok with the K9 approaching him. I had K9 Lee take scent from subject as a means of canceling scent from next trail. K9 was escorted to sidewalk in front of residence. K9 was provided new scent article. K9 trained north in parking lot and entered backyards of apartments along Sunoco. K9 then turned back towards Marine Corps building and to the front of the shopping center. K9 proceeded across Route 73 and into parking lot of Kohls. As trail was continuing, I was made aware that the subject was in an uber on 295. Trail was terminated in this parking lot. It was later determined the suspect had in fact walked across Route 73 and entered Shake Shack (near kohls). No further action needed from this K9 unit. Body camera activated tagged for evidence.

On 08/30/2024 at 1801 hours I was dispatched to [REDACTED] in regards to a domestic. I responded priority two in patrol vehicle 2004.

Upon arrival officers on scene were speaking to the male parties outside: Thiago Correa and Celso Correa. I made contact with the female party, [REDACTED] who was currently inside the house. [REDACTED] advised me that she called the police after getting into an argument with her husband, Celso, and his son, Thiago. The argument was initially over money and then evolved in discussing the installation over a Tesla charging unit. [REDACTED] brought up the fact that she wanted a divorce which caused Celso to become upset. [REDACTED]

[REDACTED] This involved her trying to take his phone.

Officers speaking with Thiago and Celso reported that they both denied the physical aspect of the argument but confirmed the other aspects such as the origin. The argument and altercation was reported to have taken place in the electric room at the rear of the house. There was a language barrier so Officer Salinas #207 conducted most communication.

[REDACTED] Celso was arrested. I handcuffed him behind the back, double locking the cuffs and checking for fit. Officer Salinas searched Celso incident to arrest with negative findings. Celso was placed in the rear of my patrol vehicle which was checked negative before and after all transports.

[REDACTED] I then transported Celso to the station. Upon arrival I entered through the Sally Port Garage and secured my firearm and the garage door. Celso was escorted inside and a secondary search for weapons was conducted with negative findings. He was checked for warrants and CODIS and was negative. Celso was fingerprinted and processed. Contact was made with Judge Caplan who determined that the charges were Simple Assault and Assault by strangulation. Judge Caplan advised that it would be put on a warrant (warrant # 0313 W 2024 000453).

Celso was read his Miranda rights which he stated he understood. The Miranda rights were submitted into evidence. Upon questioning Celso in regards to the [REDACTED]

[REDACTED] Celso stated that the only altercation was when Thiago took out his phone to record [REDACTED] and Thiago began a tug of war with the phone. Celso denied becoming physical and he stated that Thiago sustained a scratch mark from the tug of war which was seen on scene. Celso also allowed us to view a video of his cell phone which showed the argument between the three of them. At no point in the video was there any physical altercation. In the video you could see [REDACTED]. Celso attempted to send the video multiple times but was unable to do so due to size and Internet connection. Celso advised me he would attempt to cut the video and send at a later date. Celso was then transported to BCJ by Officer Salinas.

[REDACTED]

All BWC were submitted into evidence.

End report.

BWC #SPARE (A) Activated-Sumbitted for Evidence

On Tuesday September 3rd 2024, at approximately 1724 hours dispatch advised that the caller Donita Lee (B/F 42), told 911 dispatch that there were twenty people outside her residence attempting to fight her at her residence of [REDACTED]. I responded priority 1 in marked patrol vehicle #2201. Prior to my arrival, dispatch received another call from one of the witnesses at the location who advised that Donita swung and hit a male in the head with a baseball bat. The caller advised that the baseball bat was now secured with him and Donita Lee went back inside her residence. Upon arrival I made contact with one of the witnesses Gregory Scott (B/M 52) in the common walkway between buildings 2000 and 3000. Gregory advised that him and his family were celebrating his grandsons birthday party in the park area of the apartment complex. Gregory advised that Donita was sitting in her chair on the common ground area near the back door of her apartment and complaining to Gregory's family/friends that they were on the grass area which she believed was her property.

Gregory advised that while some of the children were playing football in the grass, the football had gotten close to Donita to which caused Donita to engage in a verbal argument with the children and Gregory. Gregory walked over to Donita who was still in the common area and attempted to calm her down and explain they his family was only trying to enjoy the child's birthday party. Donita then became more angry and went inside her residence and took a hold of a orange aluminum baseball bat and started to swing it in the air. When the other residents and Gregory's family members observed Donita possess the baseball bat in her hand, they walked over to diffuse the situation. The victim Dashawn Warner-Scott (B/M 33) and one of the witnesses Ayesha Hawkins (B/F 26) were two of the people who were trying to assist Gregory in calming the argument.

During one point of the verbal argument, Donita swung and struck Dashawn on the side of his head with the baseball bat. At that point, Gregory attempted to grab the baseball bat from Donita and after a short back and forth, he was successful in securing the baseball bat. After speaking with Gregory and hearing these claims from Gregory I went and made contact with Donita at the front door of her residence. After knocking on Donita's front door, she opened the door and advised that she had a [REDACTED]. Donita then pulled out her cell phone and showed me ring camera footage from her install ring on her back patio. A few seconds in the video I observed Donita strike a male (later confirmed to be Dashawn) in the head with the orange baseball bat. I confronted Donita about her actions to which she advised that she did not strike him and attempt to conceal her phone in her pants pocket. I then took a hold of Donita's arm and advised her that she is being arrested as she attempted to

return back inside her residence. I was able to place Donita's right hand behind her back in a compliance hold and attempt to take control of her left hand. Donita continued to pull her left arm/hand away from me after I advised her multiple times to put her left hand behind her back. Donita then began to scream that she could not breathe and asked for a Supervisor and told her daughter to record the encounter. I advised Donita to stop screaming and to breathe due to her complaint of not being able to breathe. I stood behind Donita with her right hand in a compliance hold while Donita continued to struggle to break my grip of her left hand.

Sergeant Cook #176 then arrived on scene who assisted me in securing Donita in handcuffs (double locked and checked for tightness). Donita was then escorted to the rear of patrol vehicle #2201 and stood by with Officer Oliver #194. I then made contact with one of the witnesses Ayesha Hawkins who advised me of the confrontation between Donita and the residents. Ayesha advised me that her family and friends were celebrating her son's birthday party. Ayesha advised that the confrontation escalated between Donita and the party-goers after Donita took Ayesha's son's football and put it inside her house. Ayesha advised that Donita then grabbed the baseball bat and struck the father of her son Dashawn Warner-Scott. I then made contact with Dashawn [REDACTED]

[REDACTED]. Dashawn advised that he was on location to celebrate his sons birthday party. As Dashawn observed Donita grab her baseball bat and begin to argue with his father Gregory Scott, he walked over to them and attempted to diffuse the situation. Dashawn then advised that Donita swung and struck him in his forehead with the baseball bat. I completed a victim notification form with Dashawn and he was provided a copy. Dashawn was later provided a courtesy transport from one of the Police units to speak with Detective Kennedy #126 (See Detective Kennedy' Supplement report for his interview findings). Donita was transported to [REDACTED] and was accompanied by Officer Long #163 and Officer Oliver #194.

Prior to responding to Police Headquarters, I made phone contact with the property manager for Cornerstone Apartments Danielle Adams to request video surveillance of the incident. Danielle advised that she received calls in regard to this incident and had video surveillance ready to which she emailed me. I reviewed the video surveillance from the apartment complex which showed the incident occur. The surveillance video showed Donita and Gregory engaged in a verbal argument in the grass common area near Donita's back patio. Donita was observed on surveillance video retreating back inside her residence while arguing with Gregory and obtaining an orange baseball bat. Dashawn then walked to Gregory and Donita and began to speak with them. Donita then swung the baseball bat in the direction of Dashawn which missed. Donita then continued to verbally argue with Ayesha, Dashawn, and Gregory. Donita then swung the baseball bat again and struck Dashawn in his head. Gregory was then able to take the bat away from Donita and secure it.

Interview Notes Regarding this Case DO EXIST

On September 3, 2024 at approximately 6:46 PM, I conducted a victim interview with Dashawn Warner-Scott ([REDACTED]) of Clayton inside the detective bureau. Prior to starting the interview, I was advised by Sergeant Cook that Dashawn was struck in the head with a bat during an altercation with a female. As a result, I did not issue Dashawn his Miranda rights as he appeared to be the victim of an assault. According to Dashawn, he was outside at the involved apartment complex for his son's birthday gathering when a female resident approached their group. The female who approached Dashawn's group was reportedly upset that kids were playing football outside her unit.

Dashawn reported that his father tried to talk to the woman and that at one point she left the area but returned a short time later with a baseball bat. Dashawn indicated that the female started to swing the bat at his group. I clarified with Dashawn that the female was the one that initiated the contact with his group and that she approached them.

Dashawn further advised me that he was struck in the head with the bat while he was trying to grab such and that he tried to catch the bat while the woman was swinging such. Dashawn advised me that after being struck in the head with the bat [REDACTED]

[REDACTED]. I specifically asked Dashawn if he struck the female back and he stated no.

Dashawn advised me that he has never met the woman before and that she was a stranger to him.

[REDACTED]. I also requested that Dashawn provide me with an update in relation to his condition so I provided him with my business card.

Dashawn gave me verbal permission to take photographs of his head and I did [REDACTED]. I utilized my assigned detective camera to photograph Dashawn and I encouraged him to contact me in the event [REDACTED]. Following the interview, I walked Dashawn to the lobby of police headquarters.

My interview with Dashawn was recorded and after he left I utilized my assigned detective camera to take photographs of the orange colored bat which was recovered by patrol. I held the bat as evidence for this case along with my interview notes. Officer Norman White forwarded me an e-mail message which included a video file. The video file was provided to Officer White by Property Manager Danielle Adams who later provided me with a second video file via e-mail. I reviewed the footages which supported that the female retrieved an orange colored bat from her first floor unit at approximately 17:21 (09/03/2024) from the area of her rear sliding door.

Interview Notes Regarding this Case DO EXIST

The female started to swing the bat at approximately 17:21:49 and Dashawn appears to have been struck with such at approximately 17:22:48. The footage indicated that a member of Dashawn's party quickly gained control of the bat during a brief struggle and that footage also supported that Dashawn punched the female in her face with his left hand at approximately 17:22:55. The female dropped to the ground following the punch and the female eventually entered her first floor unit after she stood back up. Dashawn can be seen touching his head at approximately 17:23:01 and he failed to disclose during the victim interview that he punched the female during the altercation. The physical altercation was not captured by the second provided footage as such was just out of view of the camera angle.

At approximately 8:49 PM, I placed a phone call to [REDACTED] and I was forced to leave a voice message for Dashawn. At approximately 8:56 PM, Dashawn called me back and I recorded our conversation with my body worn camera unit. I made Dashawn aware that the complex video footage indicated that he punched the female in her face before he walked away and he indicated to me that he did not remember doing such as he was [REDACTED] from being hit with the bat.

On September 4, 2024 at approximately 3:30 PM, I spoke to Dashawn via phone.

On Friday September 6, 2024 at approximately 1939 hours I conducted a pedestrian stop in the area of 325 N rt73 for a male that was committing a time 39 violation. Upon making contact with the male later identified as Mardonne Cole he became agitated. Upon speaking with Cole and explaining the reason for the pedestrian stop he was asked for his identifiers. Upon asking Cole for his identifiers he became even more agitated and began to argue with me about the reason for the stop. Cole then told me he would give me his name but then he would be leaving. Cole then yelled his name at me and then turned away and began to walk away from the scene. As Cole was walking away he was told to stop and that he was not free to leave yet but instead continued to walk away after my commands. As Cole was walking away from my commands I then caught up to him and grabbed both of his wrists. Upon grabbing his wrists to gain control in order to place handcuffs on him to detain him I then felt his arms begin to tense up. Upon feeling Cole tense up I began to tell him to stop resisting and to place his hands behind his back. Cole didn't listen to my commands and continued to attempt to pull away. While still in control of Cole's wrists and after multiple commands to put his hands behind his back and him failing to do so he was taken to the ground. Upon being taken to the ground Cole continued to resist as he attempted to get off the ground as he was being told to put his hands behind his back. Finally after continuing to resist Cole was able to be secured with his hands placed behind his back with handcuffs double-locked.

Upon Cole being handcuffed and placed under arrest for obstruction and resisting arrest he then provided his name and date of birth. Cole's identity was confirmed where he was found to have an active warrant for his arrest out of Union County for \$1500 on warrant number SPB 2022 001623. Cole was then escorted back to patrol vehicle 2202 where a search incident to arrest was completed on him. No illegal contraband was located on his person and the rear seat of patrol vehicle 2202 also checked negative for any illegal contraband. Cole was then secured in the rear seat of patrol vehicle 2202 and transported back to police headquarters for processing. Upon arrival out at police headquarters my gun and taser were secured in a locker. Cole then exited patrol vehicle 2202 and the rear seat was checked for contraband with negative findings. Cole was then escorted into police headquarters for processing. During processing Cole continued to be uncooperative with officers. Cole was asked multiple times to be fingerprinted to which he failed to answer when asked.

Due to Cole not allowing him to fingerprint him he received an additional charge for failing to fingerprint. Cole was charged with 2C:29-1A, 2C:29-2A(3)(B) and 53:1-15 and due to the charges Judge Caplan was contacted. Judge Caplan authorized Cole to be charged on a summons to which he was charged on summons S 2024-000466. Cole was also issued a summons for his title 39 violation on summons number E24-004860 which was mailed to his last known address. While in processing it was also learned that Cole was previously arrested on the outstanding warrant out of Union County. It was learned that Cole was ROR'd and provided a new court date but the arresting town failed to remove it from the system. Cole was then released from police custody where he was provided with a copy of his summons. All proper paperwork was completed for this case and all BWC was placed into evidence. All use of force paperwork was completed and AI made an entry in the Use of Force portal. No further action taken.

BWC#121 activated and tagged

On this date, at approxiamtely 2008 hours, I responded to the area of 325 N Rt. 73, to assist Officer Arlotta who had made a pedestrian stop and requested back up units. Upon my arrival, a male later identified as Marcdonne Cole was secured in handcuffs and was escorted to Officer Arlotta's patrol unit.

Officer Arlotta advised me that he had stopped Cole for a title 39 violation, specifically he was walking with traffic along the shoulder of the highway. He stated that Cole refused to cooperate with identification procedures and began walking way from him despite his instructions to stop. Ultimately, Officer Arlotta stated that he had to physically detain who was obstructing. In doing so, Officer Arlotta had to take Cole to the ground to secure him.

Sgt. Hansbury who was already on location began conducting a use of force review. I assisted him by identifying witness, Caitlin McElwee who was standing on the grass portion between the shoulder of the road and Burns Dealership parking lot. McElwee was videoing the scene with her cellphone. I introduced myself to McElwee and informed her that the police department was conducting a review of the incident and any force that was used. When asked to describe what she saw, McElwee stated that she had come out of Olga's Diner (directly across the highway from Burns) when she saw Officer Arlotta and Cole interacting. She stated that she entered her vehicle, made the U-turn at Lincoln Drive and traveled southbound on Rt.73. While passing Burns Honda, she stated that she could see Officer Arlotta and Cole wrestling on the ground so she parked in the Canals lot (next to Burns Dealership lot) and began recording the event with her phone. I asked her to describe what she meant by wrestling and she stated that the officer was on top of Cole. Nothing else was reported by McElwee.

Field Notes do not exist for this investigation

On the above date at 19:39 hours, Ptlm Arlotta conducted a pedestrian stop on Route 73 South bound com lane by Burns Honda, 325 S. Rt. 73. While on location, Ptlm. Arlotta requested officer to respond Priority 1 for a male who was not cooperating. Officer Sanders responded on the location along with Ptlm. Arlotta and advised that had a male detained. I arrived on scene at 20:00 hours and observed Officer Sanders and Ptlm. Hinkelson standing by an individual with handcuffs on and another subject that was 15-20 feet away recording them on a cell phone.

I spoke with Ptlm. Arlotta, who was in his vehicle identifying the male through Countywide. He advised he stopped the male for a Title 39 violation and the male provided his name and began to walk away prior to identifying him. Ptlm. Arlotta advised the male walked away after providing his name and when he tried to detain him from walking away he took the male to the ground where he effected an arrest for Obstruction.

I spoke with the male, Marcdonne A. Cole, who [REDACTED] Cole was placed in the rear of Ptlm. Arlotta's marked patrol vehicle. Cole did not want to speak with me at the scene. I spoke with a witness at the scene, Colton Harrison, who reported that he saw the male walk away from the Police Officer and when the officer gave commands for him to stop, the male did not stop. Harrison stated the male walked by him and he reached out to the male to stop him and the male waved his arm at him advising him to leave him alone. Harrison stated the officer grabbed the male arms behind his back and kept advised him to cooperate and to stop pulling from him. Harrison stated he observed the male pull away several times from the Police Officer. Harrison advised the Police Officer stated several times to stop resisting and that he was going to be arrested if he did not stop. Harrison stated the police officer took the male to the ground where another officer arrived on location and handcuffed him. I obtained all of Harrison information and submitted it to this report.

Lt. Gorman spoke with the other witness who was recording the altercation.

There were no injuries sustained to the party involved and Ptlm. Arlotta sustained a minor scratch on his right hand which he declined medical attention.

A review of body worn camera recordings revealed that Ptlm. Arlotta, observed the male walking Southbound on the shoulder of the highway Route 73 North walking with traffic wearing all dark clothes. He then made contact with the male who was agitated that he was stopped. The male identified himself as Marcdonee Cole and began to argue with Ptlm. Arlotta about the reason for the stop. Cole was extremely agitated and advised that he was leaving. Ptlm. Arlotta advised Cole to stop several times and to listen to his commands. Cole began walking away as Ptlm. Arlotta was providing commands to stop walking away. He told Cole to stop and that he was not free to leave yet. Ptlm. Arlotta caught up to him and grabbed both of his wrists. Upon grabbing his wrists to gain control in order to place handcuffs on him to detain him, Cole kept pulling away. Ptlm. Arlotta advised the male several times to stop resisting and that he was being detained. Ptlm. Arlotta advised Cole to place his hands behind his back. Cole did not listen to his commands and continued to attempt to pull away. Ptlm. Arlotta was still in control of Cole's wrists, advising him to cooperate and put his hands behind his back, he took Cole to the ground. Once on the ground, Cole continued to resist as he attempted to get off the ground as he was being told to put his hands behind his back. Officer Sanders arrived on location and both officers where able to secure Cole in handcuffs. Cole was assisted up off the ground, refused medical attention and was placed in the rear of marked patrol vehicle #1706.

All body worn camera recordings have been tagged appropriately and all recordings have been entered into evidence. I completed Supervisor's Use of Force Review form. All officers on scene completed a supplemental case narrative.

On 09/10/2024 at approximately 1218 hours, units responded out to the Target located on 751 S Rt 73 for a report of a shoplifter in the custody of loss prevention. Upon arrival, units made contact with a loss prevention staff member, Jeff Strashinsky, who advised that the suspect, Christian Costantini, stole \$248.33 worth of miscellaneous trading cards and passed all points of sale prior to being stopped at the front entrance. This incident was captured on business surveillance footage, which was later submitted into evidence along with an itemized receipt of the stolen property. I responded into the office and made contact. Costantini was advised that he was going to be placed under arrest, at which time he stood up and was attempting to walk away. I grabbed his arm in an attempt to handcuff and he was continuing to try pulling away. As I began placing a handcuff on his left arm, Costantini opened the loss prevention door with his right hand and attempted to flee on foot. He exited the door at which time I immediately grabbed his sweatshirt and took him to the ground in the hallway by the LP office. Costantini did not receive any injuries and refused EMS on scene. He was then escorted in the rear of patrol vehicle 2203 and secured in place with a seat belt. Costantini's handcuff's were double locked behind his back. Benchmark database was later completed.

A search incident to arrest of Costantini revealed MDMA in a white crystal-like powder form contained in a small plastic zip-lock bag located in his wallet. Costantini stated that the substance was in fact MDMA, which he previously consumed in the past. Costantini then admitted to being in possession of approximately 2 grams of psilocybin mushrooms located in the center console of his girlfriend, Annorah R Koning's, vehicle. The vehicle was a white Hyundai Sante Fe with NJ temporary registration C361158. Contact was made with Koning on scene where she reported having no association with the CDS or Costantini's criminal activity.

Ptl. Wilson and I conducted a consent to search of the vehicle where the psilocybin mushrooms were found in a small green aluminum container. The consent was provided and signed by Costantini. Also, while conducting the consent to search, a large black machete with orange accents, multiple burglary tools (hammer and wedge devices), and a credit card belonging to another individual were discovered in the vehicle. Those items were seized and Costantini was transported to police headquarters for booking.

Upon arrival at police headquarters, I met with Ptl. Wilson in booking. My firearm was secured in locker 2 of the sally port. Costantini was escorted into booking where he was photographed, fingerprinted, and secured in cell block 5. Costantini was Mirandized and interviewed at police regarding the property discovered in the vehicle. Costantini reported finding the burglary tools, machete, credit card, casino cards, and two NJ License plates alongside various roadways and dumpsters located in New Jersey. Costantini did not report having for any specific purpose for any of the aforementioned property. All property was seized and submitted into evidence. No further information regarding the items was provided.

Assistant Prosecutor (AP) Caban was contacted via phone and advised of this case. AP Caban advised to charge Costantini with the following:

Shoplifting 2C:20-11B(1)

Obstruction 2C:29-1A

Resisting Arrest 2C:29-2A(2)

On September 10th 2024, I received a call from Officer Wilson and Officer Salinas regarding a use of force incident. Officer Salinas advised me that he had to forcible take a subject to the ground inside of Target while effecting an arrest for shoplifting. The following are the facts of the investigation:

Units responded for a report of a shoplifter in custody with loss prevention, later identified as Christian Costantini (W/M/22), who had attempted to shoplift several hundred dollars worth of Pokemon cards. Ofc. Salinas made contact with Costantini in LP office and advised him he was under arrest. Costantini attempted to walk away and out of the office at which time Salinas grabbed his arm and began handcuffing him. As Salinas was beginning to handcuff, Costantini opened the LP door and began to flee on foot into the hallway outside the LP office. Ofc. Salinas was able to quickly grab Costantini by his sweatshirt and take him to the ground. Once Costantini was on the ground, he stopped resisting and submitted to behind handcuffed. Officer Salinas was able to handcuff him and escort him to the patrol vehicle without further incident. Neither Officer Salinas nor Costantini reported being injured and did not need any medical attention.

I responded to the scene and confirmed no medical attention was required by neither Officer Salinas nor Costantini. I proceeded inside the store and spoke with loss prevention agent Jeffrey Strashinsky, who witnessed the incident. Strashinsky provided a written statement of the facts of the shoplifting leading up to the incident, and confirmed the above events that occurred in his office. Strashinsky also allowed me to watch surveillance video of the interior of his office which shows the onset of the event. It shows Costantini initially attempting to walk away, followed by him quickly pulling away and exiting the office with Salinas following. Once Costantini exits into the hallway, there is no camera angle that picks up that area. I also reviewed Officer Salinas' body camera video which confirms all of the above. Body camera shows that immediately after Costantini exited the hallway, he was taken to the ground by Officer Salinas and handcuffed. Both body camera video and store surveillance confirm the above events.

In a thorough review of the incident, I believe Officer Salinas' force was justified and he used the least amount of force necessary to effect the arrest. All on scene officers tagged their cameras appropriately and completed supplemental reports.

On 09/10/2024 at 1218 hours I was dispatched to Target in regards to a shoplifter in custody. I responded priority two in patrol vehicle 2004.

Upon arrival the individual was already in custody and in Officer Salinas' #207 patrol vehicle. I assisted in mirandizing the suspect and speaking to the suspects girlfriend. The suspect advised me that he ran from Officer Salinas not intentionally but due to claustrophobia and panic. He stated that he knew it was a mistake in stealing the trading cars. On his person CDS was found and upon asking him where he got it, he stated he found it at game stop in the parking lot. He admitted to being a past user and stated that is why he took it. He confirmed that he had been clean for 3 years.

Upon talking with him he agreed to consent to a search of his vehicle after admitting it was his and he was the one driving today. He stated that the only thing we would find would be weed and mushrooms. The mushrooms were given to him by a student he did not know at Columbia university.

The girlfriend confirmed that there was nothing else in the vehicle. She stated that she had no involvement in the shoplifting or knowledge that it would occur and stood by in the vehicle the entire time. I stood by with the two individuals while a consent search was conducted.

End report.

On 9/10/24 at approximately 1915 hours I proceeded to transport Christian Costantini, in custody, to BCJ. The backseat of the vehicle was checked and clear of contraband and weapons prior to Christian entering the vehicle. I escorted Christian out of Cell 5, handcuffing him and double locking the handcuffs, into vehicle 1804; located in the sally port. During the transport no incident occurred.

Upon arrival to BCJ I entered their sally port and proceeded to escort Christian out of the vehicle, into the holding cell.(backseat was checked for contraband and weapons again, still clear of them both.) I then turned over required documents, for his lodging, to BCJ; as well as his Christian's personal items. Christian was successfully lodged into BCJ. No further incident occurred, I then cleared.

[REDACTED] stated that he texted his mom about him not feeling safe due to an argument that occurred with him and Jazlynn earlier in the night. [REDACTED] stated that at approximately 2100 hours he drove Jazlynn to 7eleven to buy some snacks and Jazlynn was upset due to the store not having the snack she wanted which caused an argument with both of them. Upon their return home, [REDACTED] was upset so while they were inside their bedroom, he placed one of Jazlynn's vape devices inside of their trash can. Jazlynn had then poured out the alcohol that [REDACTED] had bought which in retaliation [REDACTED] started to empty Jazlynn's lotion bottles. [REDACTED]

Officer Umbehauer and I could observe [REDACTED]
[REDACTED] I then made contact with Jazlynn inside their residence to gain further information about the events that occurred between her and [REDACTED] Jazlynn's recollection of the incident corresponded with [REDACTED] until the physical portion. [REDACTED]

Due to the visible sign of injury on [REDACTED] and both parties story, I placed Jazlynn under arrest to which she was handcuffed (double locked, searched which yielded negative findings). [REDACTED] Jazlynn was then transported to Police headquarters for processing; dispatch was advised of my starting and ending mileage.

When I arrived at headquarters my firearm and taser were both secured in a lockbox inside the sally port, and Jazlynn was removed from the rear seat of the vehicle. The rear seat of my patrol vehicle was again searched which yielded negative findings, and Jazlynn was escorted to the booking room, once again searched by Officer Nguyen #197 and then secured to the holding bench, for processing. Jazlynn was then photographed and remained secured to the holding bench while Officer Umbehauer and I completed paperwork. I conducted a county wide inquiry check of Jazlynn to which she was negative for

BWC84 activated and submitted as evidence

I was dispatched to [REDACTED] for a domestic violence incident in which the victim, [REDACTED]

Upon arrival of patrol I observed a male sitting outside on the front step and he identified himself as George Martindell. He stated that he and his girlfriend had argued and kept saying that she is "crazy." Martindell reported that they got into a heated argument after [REDACTED] took a bag of pretzels from him while he was sitting in the living room. Once other patrol officers arrived I went inside to speak to [REDACTED]

She reported that she and George have been dating and lived together for the past seven years. On this date they had been arguing about a toaster oven as they were driving together and the argument continued once they arrived home. As they continued arguing at home, [REDACTED]

I took Martindell into custody and handcuffed him behind his back. He was searched and I found nothing on his person. I placed him in the rear of my patrol car (2211). I transported him to police headquarters and escorted him to the cell block processing area. I made contact with Judge Caplan and advised her of the incident. She authorized that Martindell be charged on a summons with Simple Assault and Harassment for [REDACTED] while she was in the bathroom.

Martindell was processed per department policy and charged with one count of Simple Assault (2C:12-1A1) and one count of Harassment (2C:33-4a) on complaint summons S2024 000588 0313. He was checked negative for warrants and CODIS requirement.

[REDACTED] My BWC video was submitted into evidence (SD#1).

Martindell was released and transported back to his residence. Prior to him being released I contacted the victim and advised her of his release.

This case is closed pending court.

On Thursday November 22, 2024 at approximately 8:15pm I responded to Police Headquarters to assist Patrolman Borden #128 with processing the suspect (Frederick Vicario), who was arrested for DUI. Upon arrival I secured my firearm and taser in a designated receptacle. I then read Frederick the Standard Statement for Operators of Motor Vehicles and he replied "I don't know" when asked if he would provide samples of his breath for the purpose of making chemical test to determine the content of alcohol in his blood. He was advised his answer was unacceptable and asked again, at which time he replied "I don't know". The sink drain stopper was inserted and the sink was partially filled with water. The fan next to Alcotest 7110 MKIII-C (serial #ARUL-0061) was also turned on. I then inspected Alcotest 7110 MKIII-C (serial #ARUL-0061) for any malfunctions and it was found in good working order. Frederick was charged with a refusal.

BWC 128 activated/tagged

No field notes

AT THE SCENE:

On November 21 around 1940 hours I was in patrol in a marked police vehicle on Route 70 in the area of Locust Avenue. I was traveling west on Route 70 in the right lane, and there were a few cars on the roadway in that area. While traveling in the right lane, I observed a larger SUV with an unknown NJ registration in the far left lane start to drift to my lane, and continue west straddling the dotted line. One half of the car was in my lane, and the other half was in the far left hand lane. The vehicle continued for a few seconds, and I got behind it, and observed it to be NJ H19GEK. No other vehicle was in front of me when I observed the violation, and no vehicle got in between myself and the described vehicle prior to the motor vehicle stop. I activated my overhead lights to my marked patrol vehicle #2302, and the vehicle in question continued traveling west in the left hand lane. Eventually the vehicle signaled and pulled to the shoulder of the roadway just past the entrance to the Walmart, 150 East Route 70.

I then made contact with the driver, later identified as Frederick Vicario, by his NJ license. I informed Vicario the reason for the stop, and as I was speaking with him smelled strong odor of mouthwash. It also appeared Vicario was chewing gum. His face was flush, and eyes were watery. I asked Vicario for his documents, and had to repeat myself multiple times. At one point Vicario tried to hand me his social security card, believing he was giving me his license. He was again told what documents I needed, and provided me with a license and a vehicle registration. He then continued looking for documents, and provided me with a second registration card which was returned. Vicario's hand movements were slow and deliberate, and he was fumbling with his wallet, and other documents in the car.

I asked Vicario where he was coming from, and he stated a friend's house in Medford. I then asked him how much alcohol he had consumed, and he stated none. Vicario stated he was looking at his phone, but felt he had done nothing wrong and committed no traffic violation. I briefly returned to my patrol vehicle after telling Vicario to remain in his car, and waited for a second officer to arrive. Ptl. Arlotta #209 arrived on location and I pulled my vehicle in front of Vicario's for a safe space to conduct SFST's.

I then returned to Vicario's car and told him to step out of the car so we could conduct SFST's. Vicario stated he would not get out of the car and remained in the drivers seat. He stated he couldn't complete any tests I would do with him, and he couldn't even pass them sober. Vicario was again told to get out of the car, and refused the same. This went on for an extended period of time, and Vicario continued to come up with reasons why he would not participate in the tests. While speaking with Vicario, I noticed the handle of a baseball bat tucked between the passenger seat and the center console, something that I had seen on the initial contact with him. As Vicario continued to deny my request to exit the car, his right hand kept going back towards the bat, touching it several times. He was told with clear direction to not touch the bat again, and told me he keeps it for protection.

Vicario continued to give excuses to not exit the car, and was told his actions would only lead to him being escorted out of the car with force, and he would be placed under arrest. I told him that his actions were obstructing this investigation and that if he continued to refuse my orders, he would be placed under arrest. Sgt. Hansbury #108 arrived on location, and I began to brief him on the situation. As I was speaking with him, Vicario turned his vehicle back on stepping on the brakes while doing so, and was ordered by Ptl. Liggett #155 to turn the car off right now. At that point we decided we were no longer going to wait for Vicario to exit the car, and he was under arrest. The possibility of him driving off and injuring others or officers was too great to wait any longer. I unlocked the drivers door from the inside, and grabbed a hold of his left forearm and wrist area. Vicario was advised that he was under arrest and replied, "arrested for what."

I applied one handcuff to his left arm, and Vicario continued to pull away from me. Vicario was given commands again to get out of the car and that he was under arrest, and he pulled his arm back and tensed up inside the car. Vicario planted himself firmly down in the seat and held his arm tight to his chest area, and would not comply with any commands. I then was able to pull his arm away from his body, and he was escorted out of the car by his left arm, and was slowly escorted to the ground. With my knee in the small of his back, I secured the already handcuffed left arm in between my legs, and Ptl. Arlotta and Ptl. Liggett were able to guide the right arm over to me where it was also handcuffed. Vicario was quickly assisted back up and moved even further away from the travel lanes of Route 70. He was searched incident to arrest, and the handcuffs were double locked. Vicario was then secured in the rear seat of my patrol vehicle for transport to the station.

While still on scene, I read a Miranda Warning Card to Vicario while he was secured in my vehicle. I also retrieved a backpack, musical instrument, cell phone, and a set of keys at the instruction of Vicario. A search for intoxicants was conducted, and none were located. Ptl. Arlotta remained with the vehicle until it was removed by Eagle Towing.

EN ROUTE TO THE STATION:

Upon returning to my vehicle I could now smell the odor of alcoholic beverages that had not been there prior to securing Vicario. The confined space of my vehicle made the odor very noticeable. Vicario was fairly quiet for the ride, asking a few questions.

AT THE STATION:

Once at the station, I secured my firearm and Axon Taser in the sally port lock box. All other electronics were secured in my patrol vehicle, except for my BWC. Vicario was escorted out of my vehicle, and into the booking area. While walking he had trouble keeping his balance, and was unable to stand still without losing balance. He was secured to the bench in booking, and Ptl. Strockbine #110 read him the Standard Statement form. Vicario stated "I don't know" for both portions of the form, and a refusal was taken (see supp report from Ptl. Strockbine for further). Evesham Twp. EMS was dispatched for precautionary measures. Vicario refused medical transport from the Evesham EMS and stated that he was not in pain.

A New World arrest jacket was completed, and I prepared S-20024-600 for the two criminal charges of Resisting Arrest and Obstruction. Once the booking process was completed, Richard Forte, the ride for Vicario arrived on location. I met with him in interview room number one, and he completed the Potential Liability Warning taking custody of Vicario. Once that was completed, I escorted Vicario out of the booking area and he was turned over to Forte. On top of the criminal charges, Vicario received motor vehicle summonses for the following:

DWI 39:4-50 E24-6312

Reckless 39:4-96 E24-6313

Traffic on Marked Lanes 39:4-88 E24-6314

On 11/21/2024 at 1947, I was in the area of Ptl. Borden's motor vehicle stop and provided him back up. Upon arrival, Ptl. Borden and Ptl. Arlotta were already on location talking to the driver of the vehicle. I approached the vehicle on the driver side and hear Ptl. Borden talking to the driver advising him that he was not free to leave due to the fact Ptl. Borden believed that the driver of the vehicle was under the influence and wanted to conduct Field Sobriety tests on him. Ptl. Borden advised him multiple times to step out of the vehicle so he could conduct these test and the driver of the vehicle refused. The driver of the vehicle was very argumentative with Ptl. Borden and was not following any commands from Ptl. Borden.

Ptl. Borden advised the driver of the vehicle to not reach for anything and twice the driver of the vehicle made a hand motion towards a bat that was located in the front seat of his vehicle. The driver also reached in his pockets multiple times, when he was instructed not too. Ptl. Borden stepped away from the vehicle at one point to speak with Sgt. Hansbury and advise him of what was taking place.

At this time I approached the driver side door and notice the male look over to his passenger side window in the direction of Ptl. Arlotta and asked him to stop shining his flashlight in his car. While telling Ptl. Arlotta this, the driver then pressed the ignition button on his car, to start his vehicle. At this time I reached over the steering wheel and turned the vehicle off. Ptl. Borden was back at the driver side door and advised the driver that he was going to be placed under arrest and opened the driver side door and removed the driver from the vehicle. Ptl. Borden removed the driver and placed him on the ground and the driver of the vehicle was resisting and his right arm was not in handcuffs yet. I placed my hand on his right arm to keep it on the ground for safety reasons and then Ptl. Arlotta assisted by taking his right arm and placing it behind his back, where Ptl. Borden placed both of his wrists in handcuffs. (See original case for more information).

Field notes do not exist

On Thursday November 21,2024 at approximately 1947 hours I responded priority two to the area of N Locust Ave and Rt. 70 as a backup officer to Officer Borden's #128 traffic stop. Upon arrival Officer Borden advised me that he would be repositioning his patrol vehicle so the driver of the vehicle could perform field sobriety tests. Upon Officer Borden repositioning his vehicle, he then walked back to the vehicle and asked the driver to step out. The driver of the vehicle stated he didn't wish to perform any tests and that he wouldn't get out of the vehicle. It should be noted that inside of the vehicle a bottle of mouthwash was located on the passenger seat along with multiple bottles of eye drops in the center console. Officer Borden continued to talk to the driver of the vehicle later identified as Frederick Vicario. Vicario was given multiple opportunities to exit the vehicle to which he failed to do so. While sitting in the vehicle Vicario began to reach for a bat that was located in the passenger seat of the vehicle. Upon being told not to touch the bat Vicario then started the vehicle which is when he was informed not to drive off. At this time Officer Borden then opened the driver side door of the vehicle and told Vicario to step out. Vicario refused to step out and began to resist Officer Borden which is when then pulled out of the vehicle. Vicario was then taken into custody and I remained on scene until Eagle towing arrived for the vehicle. No further action taken.

BWC #108 activated, Submitted into evidence

Field Notes do not exist for this investigation

On the above date at 20:00 hours, Ptlm. Borden requested a supervisor to his motor vehicle stop location on Route 70 East by North Locust Ave. Upon arrival, Ptlm. Borden advised me that he conducted a motor vehicle stop on a vehicle that was driving erratically on Route 70 East and during the Driving Under the Influence investigation; the driver was not being cooperative with the investigation. Ptlm. Borden reported that the driver would not exit the vehicle even to perform the HGN standardized test. Ptlm. Borden stated that driver had an odor of alcoholic beverage emitting from the vehicle along with mouthwash/gum. As Ptlm. Borden was reporting to me at the rear of the vehicle, the vehicle's engine started up and Ptlm. Liggett was telling the driver to turn the car off. I advised Ptlm. Borden to get the driver out of the vehicle. After Ptlm. Liggett turned the engine off, the driver refused to unlock the door and Ptlm. Borden then reached inside and unlocked the door. Ptlm. Borden then grabbed the driver's arms and attempted to escort him out of the vehicle before he could turn the engine on again. The driver advised that he was not exiting the vehicle and then the driver was advised that he was being placed under arrest. The driver replied, "under arrest for what," and then pulled away from Ptlm. Borden. Ptlm. Borden then drive forward, out of the vehicle onto the street onto his stomach and chest. Ptlm. Arlotta and Ptlm. Liggett grabbed the free arm of the driver and he was safely placed in handcuffs behind his back.

The driver, identified as Frederick Vicario, was placed in the rear seat of Ptlm. Borden's Marked Patrol vehicle #2302. I spoke with the male, Vicario, who refused any medical attention and stated that he was not injured. I continued to speak with Vicario and attempted to explain to him the events that occurred that resulted in him being placed under arrest. When Vicario was speaking to me, I detected the odor of an alcoholic beverage emitting from him. Vicario was advised to keep Police up to date if he begins feeling any pain or discomfort. Ptlm. Borden, Ptlm. Liggett and Ptlm. Arlotta did not sustain any injuries from this incident. Further investigation of this incident revealed that Viscario had a metal bat next to him on the passenger side and Ptlm. Borden and Ptlm. Arlotta advised him several times to stop touching the bat prior to the physical altercation. Viscario stated that the bat is for when he visits Philadelphia.

There was no surveillance camera in the area of the motor vehicle stop and all four BWC camera were operational and recording. All marked patrol vehicles in car camera were recording as well.

Viscario was then transported to Police Headquarters where the Evesham Twp. Emergency Medical Service responded for precautionary response. Viscario did not have any lacerations or visible signs of any injuries. Viscario reported the EMS that he was not in any pain but was concerned for his blood pressure. Viscario refused medical attention from the Evesham Twp. EMS.

On December 03, 2024 at approximately 1700 hours I was dispatch to [REDACTED] for the report of a threats complaint.

Justin Sunkett (32 of Marlton) had been named as a suspect in a domestic violence case where he [REDACTED]. Myself, Patrolman Lynch #172 and Patrolman Tomeo #90 had staged at the business in the event Justin arrived.

While on assignment, Patrolman Lynch had transmitted a pedestrian stop of a subject on Lippincott Drive matching the suspect description over the radio. At this point, I activated my emergency lights of 2203 and blocked northbound traffic on Lippincott Drive. I deployed by patrol rifle and proceeded to the area of the roadway where Officers and Sunkett were engaged in a physical altercation that was taken to the ground and led to the successful apprehension of Sunkett, (see Patrolmen Lynch's and Tomeo's reports).

Once Sunkett was in custody, he was transported to [REDACTED]. I then responded to police headquarters where I met with Patrolman Addezio #170 who had Sunkett in custody where he was subsequently processed for his charges before being transported to Burlington County Jail. Nothing further.

I responded priority two in patrol vehicle 2206.

I responded to the area of Route 70 towards Cherry hill, The Direction he was reported to be traveling. I observed the male in the construction zone between Route 70 and the Marlton Pike. I pulled up along side the male in my marked Police vehicle and advised him to pull over at which time the male turned around on his bicycle and began to pedal fast away from me in an effort to avoid me.

I exited my vehicle and began a foot pursuit, I announced Police stop at which time the male turned around looked at me and continued on while screaming in a high pitch tone. The male continued into Marlton village behind the apartments at which time I lost site of him.

Officer Molina was in the area and observed the male continue behind the complex. Officer Molina advised he was out with the suspect and had him in custody (see his report).

I made contact with Officer Molina and the male, Francis Spagnolia where I searched the male incident to arrest and found two glass pipes both burnt at one end. Officer Molina transported the male to Police Headquarters for processing. See his report for further.

On December 10, 2024 I responded to the area of West Marlton Pike for a report of male who had fled the Wawa 250 W. Route 70 on a bicycle after having shoplifted, headed towards West Marlton Pike. Male described to be an older male wearing a white-checkered jacket, called in by Wawa staff. Prior to arrival, Ptl. Latigona #192 advised that he had located the male matching the above description in the area of West Marlton Pike near Conestoga Dr. At this time upon pulling up to the area where Ptl. Latigona and the male (later identified as Francis Spagnolia) were, I observed Francis begin to ride off on his bicycle away from Ptl. Latigona against his commands to stop. At this time I proceeded to pursue Francis on foot along with Ptl. Latigona, now heading into the Marlton Village complex. At this time after a lengthy pursuit and briefly losing sight of Francis, a was able to catch up and see through a crack in the fence of [REDACTED] that he was hiding behind it, laying/leaning against the inside of the fence. At this time I proceeded to unhinge the fence door, draw my firearm (placed at the low ready) and make contact with the female homeowner, Megan Hale, who had just exited her rear sliding door to confront Francis hiding in her backyard. Contact was also immediately made with Francis who was advised to remain in place (laying on the ground) and not to move. At this time I proceeded to advise units over the radio that Francis had been located, during this time Francis proceeded to come to his feet and attempt to again flee. At this time I proceeded to grab the back of Francis' arms with both hands and forcefully bring him down to the ground. At this time, with Francis face-down I proceeded to handcuff him behind the back, quickly brought him to his feet and escorted him out onto the street [REDACTED] entrance) where other Police units were waiting.

At this time Francis was searched incident to arrest resulting with the location of (2) glass crack pipes. Francis was secured inside Patrol Vehicle #2207. A check of the rear prisoner compartment conducted for contraband resulting with negative findings. At this time Police units

remained on location with Francis and I responded back to [REDACTED] where contact was again made with Megan Hale who was advised of the details of Francis' actions. On location in the backyard of her residence, I proceeded to collect Francis' bag that contained personal items as well as the stolen merchandise as well as the bicycle he had used to ride away from Police. At this time all items were secured and Francis was transported to Police Headquarters without issue. It was later determined that the items stolen from the Wawa were (8) Pistachio bags and (1) RedBull totaling \$36.13.

On 12/10/2024 at approximately 1930 hours, I assisted Officer Randy Molina #161 with a shoplifting case. Specifically by returning 1 Red Bull and 8 bags of pistachios to Wawa located at 250 W. Route 70. A chain of custody form was completed and attached to the case file.

While speaking with Wawa manager Jamie Lugiano she inquired about trespassing the suspect in this case, Francis Spagnolia. I confirmed a trespass was not previously issued and generated one while on location. The trespass notice was signed by Lugiano. I faxed a copy of the notice to Burlington County Jail and advised them to place the copy in with Spagnolia's property. A copy was also mailed to his last known address. The original copy was retained in the case file in order to update the trespassing database. Clear.

Use of Force Review:

The following is a supervisor use of force review of incident (24-63217) during which Officer Molina utilized force during the arrest of Francis Spagnolia. My review of the incident consisted of body worn camera footage of Officer Molina, Officer Latigona and Sgt. Hansbury as well as case reports and interviews. Below is the result of this review.

On December 10, 2024, at 0942 hours, Officer Latigona responded to the area of Wawa located at 250 W. NJ70 for a report of a male who had just shoplifted. Upon arrival, Officer Latigona observed a male (later identified as Francis Spagnolia) fitting the description provided by the caller. Spagnolia was operating a bicycle away from the area. Officer Latigona instructed Spagnolia to stop and instead he increased speed and fled from Officer Latigona on his bike into Marlton Village area. Officer Latigona exited his patrol unit and chased Spagnolia on foot who quickly left his view. Spagnolia could be heard screaming as he fled the area. Officer Latigona then returned to his vehicle to continue his search for Spagnolia.

Officer Molina arrived in the area on Aspen Court and visually located the Spagnolia in Marlton Village a couple hundred yards ahead of him. Spagnolia continued to flee through Marlton Village with Officer Molina running behind. Officer Molina then approached the rear gate of [REDACTED] and opened the gate. Upon doing so, he was immediately met by homeowner, Meghan Hale. Officer Molina immediately withdrew his department issued firearm and held it in a low ready position while he verbally addressed Hale. Within seconds, Officer Molina noticed Spagnolia leaning up against the inside of the privacy fence and laying on the ground. Officer Molina briefly pointed his department issued firearm in Spagnolia's direction and gave him orders not to move. Spagnolia refused to comply with Officer Molina's orders

"don't move, stay right there." Spagnolia returned to his feet and began to head towards the gate. Officer Molina then holstered his firearm, grabbed the back of both of Spagnolia's arms and pushed him to the ground. Spagnolia fell to the ground and was laying on his stomach while Officer Molina applied handcuffs to both of Spagnolia's wrists behind his back. He then escorted him back to his feet and walked him out to the Marlton Village parking lot where he was met by Officer Giamello, Officer Latigona and Sgt. Hansbury.

Sgt. Hansbury conducted an interview with Spagnolia at which time he asked him [REDACTED]

[REDACTED] No officers reported any injuries as a result of this incident.

Sgt. Hansbury interviewed witness Meghan Hale who is the residence of [REDACTED] advised that she observed Spagnolia enter the rear of her residence and motion to her to be quiet. She explained that her son was inside of the residence at the time. She opened the rear door to the residence and told him that he had to leave. Shortly after, Officer Molina arrived and had his gun drawn. Hale stated that she told Officer Molina that her son was inside of the house. She stated that Officer Molina has his firearm drawn for his own safety and described that he would not have been able to see what Spanolia was doing through the privacy fense. Hale advised that Officer Molina acted appropriately and holstered his firearm very quickly and took Spagnolia to the ground. Hale did not report any issues with her observations and was thankful for the police addressing the male in her yard. She also confirmed that she does not have any cameras in the rear of her residence.

All body worn camera footage was properly tagged and secured as evidence. An entry in the Use of Force Portal was made by Officer Molina. The Supervisor's Use of Force Review Form was completed. Officer involved completed reports for their involvement and or observations. It was concluded that Officer Molina's use of force against Spagnolia was justified.

Hale stated that her son became upset and then she observed the police officer enter the backyard with his firearm out and then she stated she told the officer that her son and her where there. Hale stated the officer quickly placed his firearm into the holster and then "threw" the male onto the deck to arrest him. Hale stated that the officer acted justifiably and was quick to holster his firearm to place the male into custody. Hale stated she believes the officer acted appropriately and was aware of her son and her.

FIELD NOTES DO NOT EXIST

On December 21, 2024 at approximately 1735 hours, I responded priority two in vehicle 2206 to 500 South Route 73 at Sephora for a report of a shoplifting in progress. Upon arrival Central Communications advised that the suspects exited the store and entered a black Chevy traveling towards Sagemore Drive. I then observed the vehicle bearing Florida registration PJO65S traveling southbound on Sagemore Drive with no lights.

At this time I advised Central that I will be conducting a motor vehicle stop on the vehicle in the area of Sagemore Drive and Marlton Parkway. During this time when the vehicle was coming to a stop I observed one of the suspects later identified as Carlos Quintero open the rear passenger side door and quickly exit the vehicle on foot running towards Route 73 in the area of 10000 Sagemore Drive.

I advised units via radio a brief description of the suspect and the location he was last seen running. I remained on location with the second suspect later identified as Anderson Martinez the driver of the vehicle until Officer Lynch #172 arrived on location to conduct a high risk stop.

At this time after attempting to give Anderson verbal commands he advised officers that he does not speak good English and it was confirmed that there was a language barrier. Myself and Officer Lynch then approached the vehicle and Anderson was removed from the vehicle and placed in double-locked handcuffs behind his back and escorted him to my patrol vehicle #2206 at which point I conducted a visual check of his backseat for contraband which yielded negative results. Anderson was searched incident to arrest with negative contraband or weapons but was

in possession of three Dior Lip Gloss located in his back jean pocket. Anderson was then placed in the back seat and with his seatbelt on around him.

After Anderson was placed in my patrol vehicle I approached the vehicle and noticed in plain vehicle multiple items from Sephora located in the backseat still inside of the security containers. Anderson was then transported to Evesham Police Headquarters. Carlos was located and taken into custody as well see Officer Addezio's report for further detail. I secured my department issued weapon and taser in a lockbox and escorted Anderson into the process room. He was escorted into the cellblock area and placed in Cell #2. A secondary search was conducted negative contraband or weapons.

At this time I made contact via phone with Officer Torres of the Pemberton Police Department for translation. A Detainee's Screening Form was completed as well as a Detainee's Personal Record Form. Officer Torres advised Anderson of the Miranda Warning for which he stated yes to each question.

After speaking with Anderson he stated that he was not inside of the store but driving the vehicle. He said that he was staying at a friends house in New York visiting from Venezuela and they were in the area. Sephora reported that two Hispanic males and a Hispanic female entered the store and stole approximately 11 items for the amount of \$511.80. Video surveillance from Sephora reviewed later showed all three subjects inside of the store concealing merchandise.

The female involved identified as Baleria Lopez was later located by Officer Sims #211 and taken into custody in the area of 501 South Route 73. Anderson and Lopez were fingerprinted and charged with shoplifting. The complaint was completed in ECDR by Officer Sims (0313-S-2024-647) See report for further details. Carlos was charged with shoplifting and aggravated assault and placed on a warrant (0313-W-2024-646). Carlos was then transported to BCJ.

All body camera footage and Miranda Warning Forms were submitted into evidence. I also submitted the receipt of stolen items into evidence. Victim Notifications Forms were also completed for all suspects. A Chain of Custody Form was completed for the items that Anderson was in possession of unopened and returned to Sephora. No further action taken and I cleared.

On December 21, 2024 at approximately 1730 hours I responded to the area of the Sephora (500 S Rt 73) for a shoplifting in progress. While en route to scene police were informed that the suspects left location in a black vehicle with Florida plates and were throwing the stolen proceeds out of the window. Shortly after Ofc. Rose advised that he was behind the suspect vehicle in the area of Sagemore Dr and Marlton Parkway and was attempting a traffic stop on the same.

Once the stop was initiated Ofc. Rose informed dispatch that the passenger had jumped out of the vehicle and ran from the stop and was last seen running west back towards Rt 73. I responded to Ofc. Rose' car stop and assisted with a high risk traffic stop of the driver who was still inside of the vehicle. Ofc. Rose and I determined that the driver appeared to be the sole occupant of the vehicle at this time. While giving commands it was learned that the driver only understood Spanish. Units were able to command the driver to put his hands out of the window and stay like that at which time the driver complied with the orders.

Ofc. Rose and I at this time approached the vehicle. Ofc. Rose had his firearm at a low ready and I was hands on. Once we got to the driver door, I opened the driver and guided the driver to the ground so he could be safely handcuffed. The driver was handcuffed behind his back, double locked, and checked for fit.

At this time Ofc. Addezio advised that he had the second suspect on foot running behind the Rastelli's (720 S Rt 73). At this time I left Ofc. Rose with the driver as he was secured in handcuffs and responded to the area of Rastelli's to assist Ofc. Addezio in his foot pursuit. While in the rear of the business I observed the male suspect running from the tree line of Willow Ridge Apartments traveling west behind the Rastelli's and towards the front of the parking lot. At this time I followed in my patrol vehicle as long as I could. I then exited my vehicle and joined the foot pursuit. The pursuit continued through the front of the parking lot and towards the Ulta. Ofc Addezio and I at this time were able to catch the suspect and tackle him to

the ground. The suspect was tackled from the back. The suspect was then placed under arrest. I handcuffed him behind his back, double locked, and checked for fit. He was then searched incident to arrest.

At this time I observed [REDACTED]

Additional police units arrived on scene at this point and assisted in securing the suspect in a patrol vehicle. I then cleared from the area of the Ulta and returned back to Ofc. Rose' car stop.

Once I returned back to the stop I assisted in a probable cause search of the vehicle as in plain view I could observe suspected stolen merchandise. The probable cause search yielded police locating a variety of beauty products and clothing from different stores. It appeared the merchandise was shoplifted from the Sephora, Old Navy, and possibly Kohl's.

Once the search was completed I responded to Ulta where I turned the seized property over to Ofc. Dolphin. I then responded to police headquarters where I completed the use of force portal.

I had no further involvement with this case and I cleared.

On 12/21/2024 at 1736 hours a shoplifting occurred at Sephora. Two of the three individuals had been found and arrested. A Hispanic female with black hair and the following clothing description was still unfounded: tan puffer coat, blue jeans, maroon Nike shoes with orange laces, and a blue gift bag. Upon entering my shift I began to look for the female.

At 1922 hours I observed a female matching the exact above description sitting in the Pancheros restaurant. She did not have any food with her and after speaking to Pancheros employees they stated that she entered approximately 2 hours prior and has not purchased any food.

I made contact with her and advised her via a translation app, due to a language barrier, that she was a suspect in a shoplifting and was detained. I asked her to write down her name and date of birth. She wrote down her birthday and her name: Luiscenio Saabedra 05/10/2002. The paper she wrote her name down was later submitted into evidence. That name was ran on county wide with negative findings. Confirmation with the primary officer was made that Luiscenio was the correct individual. She was then placed under arrest, handcuffed behind the back checking for fit and double locking the cuffs. She was searched with the findings of Sephora products on her. She was then placed in the rear of my patrol vehicle which was searched before and after all transports with negative findings. I then advised her that we would get a Spanish speaking officer and speak further with her at the station. I transported her to the station.

Upon arrival I entered through the Sally Port Garage. I secured my firearm and garage door prior to escorting her inside. I conducted an additional search for weapons with negative findings.

I then had Officer Torres, a Spanish speaking officer, translate for me via phone. Officer Torres read Luiscenio her rights and she confirmed she understood each one. After being read her rights Luiscenio advised me that with her rights in mind she would comply with answering questions. She advised me that her real name was Baleria Lopez and confirmed her date of birth. Lopez stated that she gave a fake name because she was nervous. She confirmed that her and the two men with her went to Sephora and took items without paying for them. She identified the two men as Juan and Pedro, stating that is what they are called.

Lopez was processed and was charged on a summons for hindering and shoplifting (summons # 0313 S 2024 000648). I additionally assisted in charging her accomplice Anderson Martinez for shoplifting (summons

On Dec 21, 2024 at approximately 1740hours I responded priority 2 to the area of Sagemore Dr to assist in attempting to apprehend 2 suspects that had run on foot from a vehicle stop of 3 shoplifting suspects. The suspects had just committed a shoplifting at Sephora at 500 S RT73. As I turned onto Commonwealth Dr, I observed an adult male that fit the description of one of the suspects that had fled the stop and attempted to make contact with him. When the suspect saw me turning into the Arbor Walk condominiums he began running southbound behind the condo clubhouse. I activated my overhead lights and began to follow behind in my vehicle until I was forced to give chase on foot. I exited my vehicle and gave verbal commands to stop and engaged in a foot pursuit that lead behind Rastelli's Market, through their loading dock area and into the front parking lot.

The pursuit ended in the parking area next to Ulta after the suspect was tackled from behind, taken to the ground and taken into custody by myself and Ptl.Lynch who had joined the apprehension immediately after I took the suspect to the ground. The suspect was eventually handcuffed behind his back after the suspect gave some resistance while on the ground. During the take down myself and the suspect, CarlosMiguel Quintero, [REDACTED] occurred from both myself and the suspect falling into a vehicle parked in the lot during the take down.

At this time several other officers began arriving on scene and I was relieved by multiple. The suspect was transported to headquarters and at that time I responded to the vehicle stop location to assist. Probable Cause for a search of the suspect vehicle was found and a search was conducted. During the search a large quantity of stolen merchandise was discovered and collected as evidence. After the vehicle was secured I then responded to headquarters and [REDACTED] A use of force entry was complete in Benchmark.

On the above date I assisted in the shoplifting investigation by securing evidence. Following the apprehension of the suspects, I responded to Sephora to obtain video evidence of the shoplifting and to obtain a value of the recovered proceeds.

I made contact with the store's loss prevention agent, Mike Bey. We reviewed the in-store surveillance video and observed all three suspects concealing merchandise on their persons. Bey was able to copy the video to a USB flash drive, which I took into my possession. He was also able to print out a receipt detailing the value (\$511.80) of the shoplifting proceeds.

I entered the receipt into evidence as SD#1, the USB drive as SD#2, and my BWC camera recording as SD#3.

This concludes my involvement in this case.

On December 22, 2024, units were detailed to 500 S. Route 73 for a shoplifting in progress at the Sephora. The suspects were described as two Hispanic males concealing cosmetics on their person. Prior to units arrival, the suspects were reported to have left in a black color Chevrolet. Officer Rose, who was assigned to the complex on a POP assignment, quickly located the vehicle leaving the area on Sagemore Drive. A motor vehicle stop was initiated and the male passenger exited the vehicle and fled on foot southwest from the stop location. Officer Rose provided a description and responding units who began to check the area.

Officer Lynch arrived out with Officer Rose and executed a high-risk vehicle stop procedure and took the driver, now identified as Anderson Martinez, into custody. This was reviewed and no use of force or show of force was utilized. Martinez was removed from the vehicle and guided to the ground where he was placed in cuffs without issue.

Officer Addezio located the male suspect that fled on foot, now identified as Carlos Quintero, behind the Willow Ridge Shopping Complex. The suspect ignored Officer Addezio's commands and fled on foot again. Officer Addezio engaged Quintero in a foot pursuit through the rear of the complex, through the Rastelli's Market loading dock area, and then west through the parking lot to the front of the complex towards the Ulta store. Officer Addezio was able to close the gap and tackle Quintero with the aid of Officer Lynch who arrived in the area as back-up. Quintero was taken into custody and was cuffed behind his back. On Wednesday January 1st, 2025 at approximately 0812 hours, I responded priority two in marked patrol vehicle 2202 to [REDACTED] for the report of a possible Domestic (see case 2025-34 for full details). Upon arrival, I observed Officer Amiss #185, and Officer Washington #223 who were speaking with one of the involved individuals Nickolas Luquire. I then made contact with the other involved party [REDACTED] who was inside her apartment. [REDACTED] advised that her and Nickolas have been dating for approximately two years and they reside on location together. [REDACTED] advised that while Nickolas was packing a suitcase and ready to leave for work and possibly their relationship, Nickolas thought that [REDACTED] had taken and was concealing his phone. [REDACTED]

[REDACTED]

[REDACTED]

I then assisted Officer Amiss and Officer Washington in the booking area to process Nickolas. I read Nickolas his Miranda rights to which he acknowledged and signed off on. Officer Washington and Officer Amiss transported Nickolas to Burlington County Jail and I cleared with nothing further to report.

Case 2025-34
Ptl. Zachary Amiss #185
BWC 185: Active/Submitted into Evidence
Field Notes Exist/Not Submitted into Evidence

On 1/1/2025 at approximately 0812, I responded priority two in marked patrol vehicle #2211 to [REDACTED] for a third party caller reporting a verbal argument between a male and female. Central Communications clarified the caller resides at [REDACTED] and the argument was coming from the upstairs residence. Previous history on [REDACTED] was located in New World which found reports of [REDACTED]. Upon arrival, Officer's approached the residence from the front and overheard a male and female arguing. A male was detained after exiting the residence and positively identified as Nicklous W. Luquire. Officer's immediately noticed a [REDACTED] along with a ripped shirt collar. Luquire stated he engaged in an argument with his girlfriend, [REDACTED]. He states [REDACTED] owes him one hundred and fifty dollars and she refused to give him the money. He resorted to taking her cell phone and prescription medication this morning in hopes of getting his money. I asked him how he received [REDACTED]. He insisted he was not physical with her.

Officer Norman White #203 and Sergeant Michael Hatler #137 met with [REDACTED] inside the residence. See Officer White's supplemental case reports detailing [REDACTED] statement. I responded into the residence to speak with [REDACTED] further. [REDACTED]

[REDACTED] Based on my investigation, to include Luquire's statement admitting to instigating the argument, [REDACTED] and [REDACTED] statement to police, Luquire was placed under arrest for Domestic Violence Aggravated Assault - Strangulation. He was handcuffed using the double locking method. Prior to placing Luquire under arrest, he

attempted to hand officer's what he described as his girlfriend's [REDACTED]. Officer's refused to take possession of narcotics that were not in the prescribed container. A search of his person incident to arrest revealed small white pills in his pant pocket. Officer's inquired whether the pills belonged to [REDACTED] and were therefore stolen from her. She insisted the pills did not belong to her. There was no further evidence to suggest the pills belonged to [REDACTED].

Luquire was transported to Evesham Police headquarters. The rear of my patrol vehicle was checked prior to and after transport revealing negative findings. Upon arrival, my firearm and CED were secured into the locking receptacle located in the sally port. Luquire was escorted into the cell block and a secondary search of his person revealed additional narcotics inside his front right jean pocket. In total, [REDACTED] were located on his person. All of which were identified as scheduled narcotics and were found to be without a prescription container. They were labeled AW01-AW04 and secured in evidence locker #13. A lab request for these items were created and forwarded to the property detective for testing. All other evidence AW05-AW13 were secured in evidence locker #13/cloud based storage including Luquire's personal items. An ODARA form was completed and emailed to the Burlington County Prosecutors Office. A Handle with Care form was completed and emailed to [REDACTED] school's contact. A CODIS collection was required and was therefore collected. That sample was secured in an envelope and mailed.

Luquire was asked if he wanted to talk to Officer's regarding what happened earlier and he agreed. He was transported over to the detective interview room and spoke with Sgt. Hatler, Ptl. Washington, and myself. Luquire was informed of his Miranda Warnings and signed off acknowledging he understood. A copy was placed into evidence. In the interview [REDACTED] Further stating his intention was to get [REDACTED] away from him during the altercation. Luquire also clarified the pills located on his person were the pills he took from [REDACTED] in an attempt to get his money.

Following the interview, he was escorted back to the cell block. Municipal Court Judge Karen Kaplan was contacted regarding the following charges, aggravated assault - strangulation and the possession of narcotics located on his person. Judge Kaplan found probable cause for Aggravated Assault - Strangulation 2C:12-1B (13), and four counts of 2C:35-10A(1). These charges were to be placed on a warrant. Complaint #0313-W-2025-1 was generated and signed by Judge Kaplan. A copy of the complaint was forwarded to the courts and faxed to the Victim Witness Unit.

Luquire was transported to Burlington County Correctional Facility where he was turned over to Officer Bolden. [REDACTED] was notified of Luquire status and requested no further assistance.

On 1/2/2025 at approximately 1027 hours, Laila Richards contacted Evesham Police requesting an escort to [REDACTED]. I spoke with the plaintiff [REDACTED] who advised me Laila is currently parked outside of his residence and officers were supposed to escort her there however there was none. He also states someone knocked on his front door and when he looked out front he saw Laila walking away from the house, down the driveway. I contacted Municipal Court Judge Karen Kaplan who did not find probable cause [REDACTED]. However, it was to be made very clear to Laila that any additional action to include knocking on the door to the residence without police on location would constitute a violation. I explained this to Laila who understood. It was possible she miss understood the officers directions regarding the proper steps to take for a escort.

I continued with the original escort request. She was escorted inside the residence and collected her belongings without incident. I cleared after she left location.

On the above date and time, I responded to 225 Greentree Rd priority 2, in marked patrol vehicle #2301, for a report of a subject in the TD Bank attempting the cash a fraudulent check. I was the second officer to arrive on scene. Upon my arrival, I observed the suspect attempting to flee by running from Ptl. Mcginley #129. I attempted to get in front of the suspect with my patrol vehicle as the suspect continued to flee to towards the rear of Pancheros. As I was approaching, Ptl. Mcginley #129 utilized his department issued taser and the suspect was taken into custody. I assisted with handcuffing the suspect behind the back. I then escorted the suspect after a thorough search and placed the suspect in the rear of Ptl. Mcginley #129's unmarked patrol vehicle. [REDACTED] BWC #188 was added into evidence. Officer McGinley

Case: 2025-2394

BWC 129 activated- submitted for evidence

On January 14, 2024 at approximately 1504hrs I, Officer McGinley, responded to TD Bank (225 Greentree Road) for a subject attempting to cash a fraudulent check. Police Dispatch reported the male, wearing a gray hooded sweatshirt with the hood over his head, was still speaking to the bank teller and becoming agitated. The call notes for the fraud indicated TD Bank contacted the business information on the check and confirmed they did not write the check or associated with the subject attempting to cash it.

On my arrival I observed the male matching the description still speaking to the teller. At this time I made contact with the male, later identified as Cameal Eggleston-Woods. I attempted to escort Cameal to the corner of the business to conduct an investigation. While walking towards the corner he attempted to push me away with his hands and run from the scene. I proceeded to grab him and attempt to gain control, however, Cameal then shoved me, causing me to go down to one knee and fled from the business. Cameal began running westbound in the parking lot and I notified police dispatch of the foot pursuit. I unholstered my department issued taser and advised Cameal to stop running or he would be tased. Cameal refused all verbal commands and continued to running behind Pancheros Restaurant and proceed eastbound in the rear complex. He continued to refuse all commands to stop and I proceeded to deploy my taser. The taser was unsuccessful due to his heavy jacket and multiple layers of clothing. Cameal continued running towards the front of the complex and I conducted a second taser deployment and made contact with him on the leg and lower back. Cameal was temporary incapacitated and fell on the grass near the building.

At this time I gained control of his hands and placed them in handcuffs behind his back. Cameal

was searched incident to arrest with negative results.

He was secured in the rear prisoner compartment of patrol vehicle 2309 and seatbelted. It should be noted the rear prisoner compartment was clean prior to entry.

I proceeded to make contact with the manager of TD Bank, Patricia Sheehan, who advised me of the incident. Patricia reported Cameal entered the business and attempted to cash a check from Sportime Clubs, LLC (check #144510). The check was made out to Cameal Eggleston-Woods. The teller requested two forms of identification and Cameal only provided his New Jersey driver's license and a debit card. He was also on the telephone during the attempted transaction. Based on the teller's training and suspicious actions of Cameal she attempted to verify the check. She further observed Cameal to be nervous and he wanted his identification returned. Patricia proceeded to call police for assistance. They were able to contact the owner of Sportime Clubs, LLC, who confirmed the check number was not valid and they did not issue any check to Cameal. I took possession of the check for evidence and Patricia turned over Cameal's driver's license and debit card. It was determined the driver's license was valid and belonged to Cameal. Patricia reported she will attempt to obtain video surveillance of the transaction and altercation for our evidence.

At this time Sgt. Henry completed a use of force investigation and contact witnesses and was advised of the incident. See his case supplement report for details. Cameal was transported to police headquarters without incident and I entered the sally port. I secured my department issued weapon and escorted Cameal into the processing room. Cameal was photographed and fingerprinted without incident and secured to the bench. It was determined Cameal had an active warrant out of Cherry Hill PD for \$1,000 and did not need a CODIS sample. I read Cameal his Miranda Rights and questioned him about the incident. Cameal stated he used Lyft to respond to TD Bank and did not indicate how he obtained the fraudulent check. He further acknowledged he did hear my commands to stop running and that he would be tased. He did not provide any further information. Cameal was in possession of two cellular phones and they were seized.

I proceeded to contact Judge Caplan and advised her of the investigation and arrest. Cameal was charged with check fraud, aggravated assault on a police officer and resisting arrest by flight. Judge Caplan authorized a warrant for the listed offenses and I completed Complaint W-2025-16. I also completed a victim notification form and arrest report. At this time Cameal was handcuffed with his hands behind his back, utilizing the double lock method, and transported to Burlington County Jail. On arrival he was escorted into the jail and turned over to correction officers without incident.

At this time I responded back to police headquarters and completed the evidence process. I entered my body worn camera video, my taser prongs and cartridge, cell phones, Miranda form, and fraudulent check into evidence. I also completed an evidence receipt form which was attached to my case report. I completed a Benchmark entry for use of force. No further action taken at this time and I cleared.

On January 18, 2025 at approximately 2044hrs patrol officers responded to [REDACTED] Avenue for a domestic violence investigation. During the investigation the female, Laura Azavavich, became physical combative and officers on scene requested additional assistance.

At this time I responded to the residence and observed Laura Azavavich actively yelling and screaming while handcuffed in the living room. Patrol officers held her arms to avoid any injury when she attempted to move around. Laura, while on the ground, proceeded to kick Officer Haines, causing him to fall. I restrained her legs by crossing them and holding them against her back to avoid any injury. I continued to restrain her legs without incident until additional officers arrived. I remained on scene until she was transported to Virtua Marlton Hospital.

It should be noted I did not sustain any injury and entered my body worn camera into evidence. I completed a case tracking slip and cleared.

On Jan 18, 2025 at approximately 1900 hours, I responded priority 1 to [REDACTED] for an officer assist call over the radio. Ptl. Wilson, Ptl. Salinas and Ptl. Haynes were attempting to take the suspect, Laura Azaravich into custody when she assaulted all them. Upon my arrival Azaravich was in custody and still being restrained due to be highly combative and screaming obscenities. While awaiting [REDACTED] she was able to be deescalated to some degree and was allowed to sit in a chair. A chair was provided to her and she refused to sit in it, and then wanted to take a drink from a thermos cup with an unknown substance in it. I advised her she was not allowed and moved the cup, at which time Azaravich attempted to kick me in the groin, striking me in the leg.

As a result she was assisted to the ground and leg irons were applied to her ankles. She continued her tirade of obscenities directed at every person in the area and also made statements of [REDACTED] and secured there using 2 sets of handcuffs. Ptl. On the above date I responded to [REDACTED] to check on patrol units investigating a domestic violence incident. As I arrived on location one of the officers transmitted over the radio that there was a "use of force" incident in the house. Once I entered the house, Ofc. Wilson, Ofc. Haynes, and Ofc. Salinas had a female on the floor and were handcuffing her behind her back. The female was screaming and lashing out with her feet in an attempt to kick whomever was within reach. I observed her kick Ofc. Haynes in the knee, causing him to fall to the floor.

I provided leg shackles to the arresting officers and cleared the scene once additional patrol units arrived. This concludes my involvement in this case.

Supplemental Case Report 2025-3115

Evesham Twp Police Dept

BWC 143 activated, submitted into evidence.

On January 18, 2025 at approximately 1900 hours I responded to [REDACTED] after it was learned that the officers on location were involved in a use of force incident. Upon arrival, I met with patrols who advised that they had taken the suspect Laura Azaravich to the ground after she had struck Ofc. Wilson. I observed Azaravich on the floor handcuffed, and still being combative and uncooperative with officer commands. I met with other parties within the home, all of which advised that they only heard Azaravich taken to the ground by officers and did not witness the event.

I then met with primary officers (Salinas and Wilson) who provided a brief of the investigation, and the use of force incident. Neither officer reported any injury sustained, however the officers advised that Ofc. Haynes had been kicked by Azaravich while she was cuffed and lying on the floor. [REDACTED]

[REDACTED] I then spoke with Azaravich who was uncooperative with providing a statement regarding being handcuffed, and she proceeded to be verbally agitated towards officers. [REDACTED]

I then responded to police headquarters where I conducted a supervisor use of force review by reviewing BWC recordings and again speaking with the involved officers. Officers were found to be compliant with departmental policy and Attorney General directives. The use of force level was deemed appropriate and justified.

Contact was then made with Laura in the upstairs bedroom, where [REDACTED] was observed laying in the bed. Laura was highly uncooperative with the investigation and reported that she was unable to clearly remember the events which transpired this evening. Laura was observed to be highly intoxicated and repeatedly yelled profanity at police/others in the household during this investigation. [REDACTED]

I prevented Laura from following [REDACTED] downstairs by blocking her path in order to keep the parties separated. Laura became irate and began to yell at police while taking multiple steps closer. While yelling, Laura stated that she will attack and kill officers on scene. Laura failed to comply with commands and attempts to de-escalate the situation were unsuccessful. Laura then attempted punch Ptl. Wilson with her right fist at which point a use of force incident ensued.

I attempted to gain control of Laura's arms in which she fell backwards landing on the floor. Laura was advised multiple times that she was under arrest, but failed to comply. I then grabbed her by her sweater as she was attempting to stand up and managed to escort to the floor with the assistance of Ptl. Wilson. Laura was placed in the prone position and continued to resist arrest by putting her arms under chest to avoid being handcuffed. During this struggle, Laura kicked me in the chest, not causing any injury. I mounted Laura's back to gain control of her hips and managed to free her right arm. Ptl. Wilson managed to free Laura's left arm and she was successfully handcuffed. The handcuffs were double locked behind her back and multiple back-up units were dispatched on scene. [REDACTED]

On 02/10/2025, I fielded a phone call request in regards to Case Supplemental Report 2025-03115. The caller, [REDACTED] from [REDACTED] Laura Asazaravich. [REDACTED] reported that on 02/09, he received a notification from Instagram that Laura sent him a direct message. The account was named "Laura Asazaravich". He took a screen-shot of the notification, but did not open the message. By 02/10, the message was deleted. Also on 02/09, George claimed that he quickly received a notification from Laura's phone number that she texted him, but there was no message sent nor any receipt of the message. George wonders if this happened because he has Laura blocked.

This information was relayed to Judge Caplan and she did not find probable cause for the violation due to the content of the message being unknown or not knowing if someone else had control of Laura's account. The screen shot was retained into evidence under VH01. George was also advised of the findings.
