OfficerID: Dtesta, Narrative

On 8/14/15 at approximately 1337 hours I responded to [REDACTED] in reference to a theft.

Upon arrival I spoke with [REDACTED], an employee of [REDACTED]. [REDACTED] stated she is missing her purse and suspects it may have been stolen. [REDACTED] stated she last saw her purse when she came into work on Wednesday, 8/12/15 at approximately 1000 hours. [REDACTED] stated she placed her purse on a table in the common area inside the office. [REDACTED] advised me when she went to leave work that day at approximately 1800 hours, she could not find her purse. [REDACTED] described the purse as a black arm strap leather purse with a gold zipper down the middle. Inside the purse was [REDACTED] drivers license, 1 Visa credit card, and 3 Ocean First debit cards, along with various business cards and other items of no value. [REDACTED] stated she originally thought someone may have mistakenly grabbed the purse thinking it was theirs, so she sent out a number of e-mails to her co-workers asking if they had seen it. Last night, 8/13/15, [REDACTED] decided to look at her bank statements and found that someone had made a purchase with one of her debit cards on 8/12/15, the day her purse went missing. [REDACTED] advised me the purchase was made at the Speedway Gas Station in Brick for \$28.20. [REDACTED] checked all of the other debit card statements as well as her credit card statement and found no unauthorized purchases. [REDACTED] stated she immediately called and canceled all the debit cards and the credit card. [REDACTED] went to the DMV and received a new drivers license this morning. [REDACTED] advised me there are no surveillance cameras inside or outside of the learning center, but stated if she had to guess, the purse was probably take by one of the many clients that came in on that Wednesday, 8/12/15. [REDACTED] was provided this case number and advised to keep an eye out for future identity thefts in her name.
