THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On the above date and time, I Ptl. Heffernan, while on patrol in the area of Rt.9 and Frederick Dr. observed the victim laying on the bench of the bus stop. I pulled up on the male and hit my horn with no response. I then exited my vehicle and observed XXXX to be breathing extremely shallow and did not respond to a sternum rub. His pupils were also pin point. I then administered 1 dose of Narcan to XXXX and he became conscious a short time later. First aid arrived on scene and he declined medical attention and ultimately walked off. XXXX reported that he did not need Narcan and he used his methadone which is why he was tired. XXXX became irate because we were not certain if he was allergic to Narcan and requested my name and badge number which I provided. OD maps will be completed. This incident was recorded on my body camera.
