On the above date and time I responded to the above address for the report of Fraud. Upon arrival I made contact with the caller, Vanessa Aneses, who related \$2329 US dollars have been removed from her Turbo charge card from Paypal from charges by Coin Base. She related she received a text message from 44-745596-2338 in regards to an EZ Pass payment. She related she enter her card information into the website it directed her too. I advised her this was a known scam and advised her to contact Turbo to dispute the charges and possibly obtain a new card. She related she wanted this documented for claim purposes and if advised for an investigation she will be contacting this agency. NFA
