Dear OPRARequest,

Thank you for your response. For this request, we are looking for licenses/inspections and business permits form the years 1994-2008 pertaining to the former "O K Dry Cleaners," what indicate the operations of the dry cleaner, as we are attempting to determine if the dry cleaners performed dry cleaning on-site, or was only used as a pickup/dropoff location.

Yours sincerely,

Derek Grothusen

Dear Camden City,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

In particular, files pertaining to this property that verify if this property performed on-site dry cleaning operations, or was only utilized for pickup-dropoff operations.

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.
