East Brunswick Police Records Custodian**

Response Date: 12/14/2023

Requestor's Name: Marc Jellinek

Requestor's Address: N/A

Dear Marc Jellinek,

The East Brunswick Police Department received your Open Public Records Act (OPRA) request on December 4, 2023. The official Records Custodian, of the East Brunswick Police Department, received your OPRA request on December 5, 2023. As such, the seven (7) business day deadline to respond to your request is December 14, 2023. This response to your request is being provided to you on the 7th business day after the custodian's receipt of said request.

Your request has been assigned Request ID # 2023-416 for tracking purposes.

Your OPRA request sought access to the following:

Audio and Video recordings plus transcripts of interactions with Marc Jellinek at the desk of the East Brunswick Police Department where:

Marc Jellinek attempted to report a missing person (done, resolved)

Check on the status of open OPRA requests (no information provided - referred to Records which does not respond to email, fax, phone or registered mail and is visibly reluctant to provide records within the limits of OPRA). They have yet to satisfy a single legal request.

Check on the status of open Internal Affairs reports (no information provided - request denied)

Make additional Internal Affairs reports (denied by the desk and the station commander) (violations of policy, NJ state law and federal law, including ADA, constitutional violations and just generally being an asshole).

Specific charges will be documented in a letter sent via registered mail to the Mayor, Chief of Police, Middlesex County Prosecutor's Office and the Office of the State (NJ) Attorney General (courtesy in preparation for upcoming litigation).

Check on the status of open charges against Dr. Steven Ira Dyckman, who has over 100 complaints

online for prescribing addictive benzodiazapines to at-risk teens, for which parents blame a signification number of episodes of addiction, degradation, prostitution and other consequences of being suddenly denied access to their medication.... all against the expressed wishes of the parents and other custodians. (denied opportunity by Station Commander walking away and threatening me with legal action, to which I invited him to arrest me, no arrest made.

Response: Please be advised that your request for " Audio and Video recordings plus transcripts of interactions with Marc Jellinek at the desk of the East Brunswick Police Department " is impermissibly vague and overly broad, as it does not identify any specific records or documents in existence. Additionally, your request fails to provide a date, time, and/or case number which would be required to conduct a search for responsive records.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the East Brunswick Police Department to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at xxx@xxx.xxxxx.xx.xx, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Regards,

Records Custodian
