Veronica Wolf
Business Administrator/Board Secretary
Manalapan-Englishtown Regional School District
54 Main St.
Englishtown, NJ 07726

Dear Ms. Wolf,

I am writing to express my sincere interest in serving on the Manalapan-Englishtown Regional School Board. As both a proud graduate of the Manalapan school system and a parent of a [REDACTED], I am deeply invested in ensuring the continued success and growth of our district.

Having lived in Manalapan since second grade, I have experienced firsthand the positive impact our schools have on students and the broader community. My professional background in finance and strategic leadership—most recently as Executive Vice President and Chief Commercial Officer at Campo Financial Group—has equipped me with the skills necessary to contribute meaningfully to the board's fiscal oversight and policy initiatives. Prior to that, I spent nearly a decade with Cogentrix Energy Power Management (a Carlyle Group company), leading financial planning, reporting, and compliance operations for complex portfolios.

I am passionate about creating a strong, inclusive, and future-focused educational environment where students can thrive academically and personally. I believe my combination of financial expertise, leadership experience, and lifelong connection to our schools would bring valuable perspective to the board.

Thank you for considering my application. I would welcome the opportunity to discuss how I can contribute to the success of the Manalapan-Englishtown Regional School District.

Sincerely,

Jenee Campo
