Re: July 26, 2021 OPRA and Common Law Request for Inventory of All Vehicles in Use by the Hudson County Prosecutor's Office to Include Make, Model & Year

Dear Mr. Smith:

The Hudson County Prosecutor's Office (HCPO) is in receipt of your above request under the New Jersey Open Public Records Act, **N.J.S.A. 47: 1A-1, et. seq.** and Common Law. (Copy is attached for your easy reference.)

In response to your request attached please find an inventory of vehicles in use by the HCPO, including make, model and year, (two pages). Vehicles that are utilized confidentially for investigations in progress or in undercover work are exempt from disclosure under OPRA. See **N.J.S.A. 47:1A-1.1 (Security Measures and Techniques);1A-3a(Investigations in Progress);** and **1A-3b (Disclosure will Jeopardize the Safety of Any Person).**

You requested the same records under the common law. However, since the HCPO has supplied records in response to your OPRA request, any discussion under the common law right of access is moot.

The Hudson County Prosecutor's Office reserves the right to raise any other grounds in support of this response. The failure of the Hudson County Prosecutor's Office to assert an exception, exemption or privilege does not act as a waiver of any ground for denial.

As with any OPRA request, you have the right to challenge the HCPO's determination. At your option, you may either file a complaint in writing with the Government Records Council (GRC), located in the Department of Community Affairs, or institute a proceeding in the Superior Court.

Very truly yours,

ESTHER SUAREZ
Prosecutor of Hudson County
