Government Records Request

Receipt

The Department of Law & Public Safety (L&PS), Office of the Attorney General (OAG), is in receipt of your request for records, which is reprinted below.

Please be advised that your request is a request for information and not a request for a specific record. Be advised that OPRA is a records law not an information law. Under OPRA, a "requestor must identify the records sought with specificity. The request may not be a broad, generic description of documents that requires the custodian to search the agency's files and 'analyze, compile, and collate' the requested information." *Bart v. Passaic Cnty. Pub. Housing Agency*, 406 N.J. Super. 445, 451 (App. Div. 2009) (citations omitted); see also *Bent v. Twp. Of Stafford Police Dept.*, 381 N.J. Super. 30 (App. Div. 2005). OPRA also does not "authorize a party to make a blanket request for every document a public agency has on file," and "a proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents." *Id.* at 37. As your request does not seek a specific record, it is denied.

Your request is hereby closed.

OAG Custodian of Records

Your request for government records (# C247201) is as follows:

Dear New Jersey Attorney General's Office,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.
