RE: OPRA request disposition

As per your request dated 8/31/23, the following record was located:

Item #3 Purchase Order dated 10/4/22 for AXON in the amount of \$152,210.82 (copy attached)

We do not maintain records for items 1, 2, and 4, however, our response is as follows:

- Item #1: 63 cameras are currently deployed to active officers
- Item #2: With respect to the AXON platform, they were issued in January 2023
- Item #4: Every active officer was issued an AXON body camera in January of 2023

Respectively,

L.T. Michael Whitmore #215
