

Maple Shade Police Department

Township of Maple Shade

In the County of Burlington

Christopher J. Fletcher
Chief of Police
September 7, 2023

T. Kim:

The Maple Shade Police Department received your Open Public Records Act (OPRA) request on September 5, 2023. The official Records Custodian, Capt. Sean Hasson, received your OPRA request on September 6, 2023. As such, the seven (7)-business day deadline to respond to your request is September 14, 2023. This response is being provided to you on September 11, 2023.

You have requested the following:

1. Total number of body cameras currently deployed in the police department.
2. Date on which body cameras were deployed to any of the police officers for the first time (year and month).
3. All invoices of body cameras purchases (if body cameras were purchased).
4. Dates of initial body camera assignment for each police officer currently employed.

The Township responds to your request as follows:

1. In regards to items 1,2,4 above: A request pursuant to the Open Public Records Act, NJSA 47:1a-1 et seq. ("OPRA") must identify the records sought with specificity. Bart v. Passaic County Pub. Hous. Agency, 406 N.J. Super. 445,451 (App. Div. 2009) "Wholesale requests for general information to be analyzed, collated and compiled by the responding government entity are not encompassed" within the Open Public Records Act. See MAG Entertainment, LLC vs Division of Alcoholic Beverage Control, 375, N.J. Super. 534, 549 (App. Div. 2005). OPRA "is not intended as a research tool litigants may use to force government officials to identify and siphon useful information." Id. at 546; see also, Bent v. Stafford Twp. Police Dept., 381 N.J. Super. 30, 37-39 (App. Div. 2005) (noting that OPRA allows requests for specific records, not requests for information, data or statistics). As such requests for "any and all" documents on a specific subject are considered overly broad. Bent, supra, 381 N.J. Super. At 37. Moreover, a custodian may reject a request that is overly broad or vague so as to prevent identification of the records sought. New Jersey Builders Ass'n v. New Jersey Council on Affordable Housing, 390 N.J. Super. 166, 172 (App. Div. 2007).

In recognition of the above principles of law, and incorporating them herein, your request is denied as it is seeking information and **does not** identify a specific record.

2. In regards to Item 3 above, see attached invoice regarding Body Worn Camera purchases, redactions are of items that are not body worn cameras.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Maple Shade Police Department to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Sean Hasson
Captain
Maple Shade Police Department
