

June 14, 2021

PUBLIC NOTICE

The North Caldwell Police Department will be equipping every Officer with a body worn camera and adopt policies consistent with the NJ Attorney General Directive 2021-05. As we await the arrival of these cameras, we have implemented training and procedures to ensure the cameras are used consistent with our policy. We are looking forward to the transparency and trust that these cameras will bring to the residents in our community and any public encounter with the police.

Mark A. Deuer
Chief of Police

Fwd: BWC Go Live Date

Michael Credico <mcredico@northcaldwell.org>

Chief/Capt.

Is it possible to tentatively use January 17th as a go live date for the BWC. Everyone will have completed the initial training this week after firearms. The update to the policy should be done tomorrow pending the remaining answer from Enforsys. Our launch date for redaction software is also scheduled for next week with training to be provided sometime in between. If this works I will prepare everything we need and be available those days to go over everything with each squad that is on duty.

Thank you again for the help.

Respectfully,

Sergeant Michael Credico
