The complainant entered headquarters and requested to document what he believes to be a theft report. Nicholas Bernardo advised me that he placed his blue colored Collingswood recycle bucket curbside yesterday February 25th, 2016 at 1600hrs. Bernardo then stated that he arrived at his place of business at 0800hrs. this date and he noticed that his recycle bucket was empty. He then noticed that other recycle buckets still had contents in them.

Bernardo then stated that he is the owner of Net Gain Marketing located on the 2nd floor of 577 Haddon Avenue in Collingswood. Bernardo concluded by stating that he did have miscellaneous papers in the bucket along with cans and plastic items and believed that nothing with personal information from him or any of his clients were contained therein.

Bernardo requested a report be prepared should there be any future occurrences relevant to identity theft etc.

78. Narrative													
On 11-20-2017 at 0818 hours, I was dispatched to the second floor suite of 577 Haddon Avenue, Net Gain, for a report of the business being damaged by a firearm projectile. Upon arrival, I made contact with the complainant and owner of Net Gain, Nicholas R. Bernardo 3rd, who related that on this date at 0745 hours he responded to work and observed damage to his business caused by a firearm projectile. I observed a hole in the business' front window (indicative of a firearm round). The round appeared to strike and damage the ceiling of the hallway, then ricocheted and hit the hallway wall, ricocheted again and struck the lower portion of the counter in the kitchen. I observed a hole in the counter, roughly the same size as the hole in the front window. A check of the interior of the counter was met with negative results indicating that the projectile is lodged between the outer and inner wall of the counter. Mr. Bernardo confirmed that he has never seen the damage before and that he did not believe he was being targeted. He valued the damage to his business to be approximately \$1800.00. Detective Sgt. Lyons was advised of the above information and he responded on scene to conducted his investigation. Refer to Detective Sgt. Lyons' supplement report for further information. It should be noted that on 11-19-2017 at 1720 hours, officers were dispatched to 4 West Knight Avenue for a report of gun shots fired in the area. The unit block of West Knight Avenue is directly west of 577 Haddon Avenue and three 9mm casings were found in the area (refer to PD case #2017-011154 for further information). During the initial investigation of case 2017-011154 only one 9mm round was located. The projectile damage caused to 577 Haddon

78. Narrative On Tuesday, September 11th, 2018 at 0901 hours, I received a phone call at police headquarters regarding criminal mischief located at 577 Haddon Avenue. I responded to 577 Haddon Avenue and spoke to the complainants Cory J. Reuss and Natalie L. Reuss, who related that on 09/10/18 they left their business identified as Macona at approximately 2200 hours. Natalie then returned to back to the property at approximately 0800 hours on 09/11/18 and observed five racks in a large meat smoker in the rear of the property were severely bent from their original shape. It should be noted, prior to Natalie leaving the business at 2200 hours, there was no evident damage to any cooking equipment. The smoker racks are valued at approximately \$300.00 each. Natalie believes the racks were purposely damaged rendering them to be inoperable. Cory stated that he has had problems with a certain coworker in the past identified as [REDACTED] Corey related that on Monday September 10th, 2018 he terminated [REDACTED] from his company and believes out of retaliation [REDACTED] returned to the property and deliberately caused the damage. It should be noted Corey did not have any substial evidencne to support his cliams. Officers conducted search for anything of evidential value, however were met with negative results. When asked about possible surveillance cameras, Cory informed officers that the business is not equipped with any type of camera system. Officers were also met with negative results in obtaining any further surveillance footage from any nearby properties.

51. Narrative

On 09/12/2018 this detective reviewed the initial police report for this reported criminal mischief. The victim, Cory Reuss advised officers that he terminated an employee by the name of [REDACTED] on 09/10/2018 and noticed his exterior rotisserie damaged the next day. A check of the immediate area did not reveal any working security cameras. Contact was made with Reuss who confirmed the incident and showed this detective the rotisserie. He indicated that he found the racks inside were off the tracks and that they were damaged due to the fact the conveyor belt system continued to spin until the electrical breaker powered the machine off. He related that he was not sure if he wanted any criminal complaints signed against the offender, just wanted to know what occurred. Reuss stated that he installed security cameras on his property that would assist in any future issues. He was advised that he would be contacted after [REDACTED]s interviewed or if any other subject(s) are found to be responsible.

This detective made contact with [REDACTED] who agreed to be interviewed by this detective at police headquarters. This detective met with [REDACTED] at his residence and transported him to police headquarters. He was escorted to the second floor interview room where he was advised of his Miranda rights. [REDACTED] stated that he understood his rights and signed a Miranda rights form indicating same.

[REDACTED] confirmed that he worked at Macona for two months and was terminated on 09/10/2018. He was asked if he knew why police wanted to speak with him and he stated that he had no idea. He showed this detective a text message from Reuss which told him that he was terminated and that he text back, "can I ask why" but did not receive an answer from Reuss. [REDACTED] was advised that there was reported damage to the exterior rotisserie and that he is a suspect in the investigation. He stated that he was home all night playing video games with his girlfriend, [REDACTED] and searching for new jobs online. He continued by saying that he is a vegan and agrees that it was odd for him to work at a BBQ business. He continued to say that he did not have anything to do with the damage. [REDACTED] was confronted with numerous interview tactics, but continued by saying that he was not responsible and does not know who could have committed the damage. As the interview continued, [REDACTED] was asked if he would consent to a voice stress analysis test, during which time he requested to have an attorney

THE COMPLAINANT REPORTED A VEHICLE PARKED IN A METERED SPACE FOR A PROLONGED PERIOD OF TIME. I RESPONDED AND OBSERVED THAT THE VEHICLE IN QUESTION, A 2012 GRAY MERCEDES BENZ BEARING NJ REG U55BNB, WAS PARKED IN A METERED SPOT WHICH HAD BEEN BAGGED FOR THE HOLIDAYS. I CONTACTED THE OWNER OF THE VEHICLE VIA TELEPHONE AND LEFT HIM A VOICE MAIL ADVISING HIM THAT WHILE THE HOLIDAY PARKING WAS FREE, HE COULD NOT USE THE SPACE FOR MORE THAN THE POSTED TIME FRAME.

THE COMPLAINANT WAS ADVISED OF MY FINDINGS AND WAS SATISFIED.

On September 23rd, 2020 at 1228 hours, I was dispatched to headquarters in reference to a walk in. Upon arrival, I met with the complainant, identified as Cory Reuss. It should be noted that Mr. Reuss is the owner of a business in town, which is Macona Barbeque. There have been several ongoing disputes between Mr. Reuss, his employees, and the owner of their neighboring business located at 579 Haddon Avenue, Cup of Bliss, which have been reported under several different case numbers. Mr. Reuss responded to headquarters in reference to a recent incident which has been documented under case #2020-8719. Mr. Reuss indicated that he was inquiring about why one of his employees, identified as Matthew Bishop, was issued a "Defiant Trespassing" summons. He was advised that a police report under the aforementioned case number was generated, which documents that Officer Bruns informed Matthew Bishop per the request of Debra Blissick that he was no longer welcome on her private property for any reason due to her being scared for her life. He was further advised that Ms. Blissick signed a complaint against Mr. Bishop after he carried a table from the Collingswood Farmer's Market across the property to store it inside of the rear of Macona Barbeque and it was captured on the Cup of Bliss video surveillance cameras. After being advised of the above circumstances, Mr. Reuss related that he would be attending court on behalf of his employee. Mr. Reuss was satisfied with the information provided and further related that he would be extremely cautious with his employees and his property to avoid further confrontations or complaints in the future. No further information to report.

73. Narrative On Friday October 2, 2020 at 1046 hours, I was dispatched to 579 Haddon Avenue, Cup of Bliss for the report of trespassing. Upon arrival, contact was made with the complainant identified as Deborah Blissick, who reported that an employee of Macona BBQ, located at 577 Haddon Avenue, identified as Paris Young, walked onto her property while conducting his duties at work. Blissick continued reporting that she observed Young walk onto the property at 1018 hours on today's date and again at 1100 hours of the same. Blissick advised me that she is "freaking scared" and was observed to be actively shaking. Blissick advised me that she is able to provide me with the video of Young walking on her property. Cory Ruess, who is the owner of Macona BBQ was advised to inform his employees about trespassing onto Cup Of Bliss's property. Blissick responded to police headquarters where she completed a voluntary statement form indicating her account of this incident. Blissick advised me that she is desirous in pursuing this matter in the form of complaints. Blissick also advised that she had to leave for a family matter and would respond back to police headquarters at a later date to sign a complaint against Young in reference to this incident. I made telephonic contact with Young and advised him of the property line and that he is prohibited from going on to Cup of Bliss's property. Young advised me that he understood and that it was accidental while conducting his duties at work. Blissick provided this officer with video surveillance capturing the incident in progress. While viewing the videos, I

observed Young walk onto the Cup Of Bliss property on the above noted date and time. In the video, Young appears to be conducting his work duties during the times that were noted above by Blissick, however he did step over the property line between Cup of Bliss and Macona BBQ. Blissick advised this officer via email that she would not be responding to police headquarters amid COVID-19 social distancing concerns and would prefer to sign complaints directly at the Collingswood Municipal Court. It should be noted that this officer replied to Blissick's email advising her that necessary accommodations will be made in order for her to safely sign a complaint while at police headquarters. This case is considered to be closed at this time. This case will be reopened if Blissick ultimately decides to respond to police headquarters to sign a complaint against Young in reference to this incident.
