1. In the event of a reduction in force, Employees who are laid off will be placed on a preferred substitute list in the job title and job classification held at the time of the layoff. These Employees will be given work assignments throughout the District within their job title and job classification on an as-needed basis prior to offering work to any other substitute and prior to hiring new Employees. Employees on the preferred substitute list shall be considered as regular Employees with all benefits only in the event that they work sufficient hours to qualify for health insurance. Placement on the preferred substitute list shall be in the order of seniority by job title and job classification held at the time of lay off.
2. Employees on layoff status will be offered regular employment on a last-out first-in basis prior to the hiring of any new Employees in the same job title and job classification. Employees will be notified by registered mail, return receipt requested, at their last address of record. The Employee will be required to report for work no later than the third workday following receipt of the notice. Failure to report within this time will be considered resignation.

F. Traffic Summonses-Jackson Municipal Court

1. An Employee assigned to drive a school district vehicle, who receives a traffic summons while driving that vehicle and appears in Jackson Township Municipal Court pursuant to that summons, must attempt to have his/her case heard at a time when the Employee is off duty. If the Municipal Court appearance must take place during the Employee's hours of work, the Employee will be permitted time off from work for their first appearance only, provided the Employee has provided at least seventy-two (72) hours' notice to his/her supervisor. The time off from work shall be with pay, if the Employee has personal time available, otherwise it shall be without pay. If all of the charges are dismissed however the Employee will be reimbursed for the loss of time/salary first appearance only.
2. An Employee who appears as a witness on behalf of an Employee who receives a traffic summons (as described in paragraph 1) will be provided with time off with no loss in pay, provided the Employee (witness) has provided at least seventy-two (72) hours' notice to his/her supervisor.

4. An Employee who is a complainant or witness on behalf of the BOARD against a person charged with a traffic violation related to student transportation (such as passing a bus with lights flashing) will be paid for time spent in court.

ARTICLE XVI
POSTING PROCEDURES

- A. 1. All vacant and newly created positions which the BOARD intends to fill shall be posted within three (3) days (excluding Saturday, Sunday or holidays) that a position becomes available and shall remain posted for seven (7) days, (exclusions as above). Nothing in this article shall preclude the BOARD from advertising an open position outside the school district if, in its sole discretion, it chooses to do so.
2. All regular permanent Employees shall have the right to bid on posted positions.
3. As it is in the best interest of both parties to provide promotional opportunities to present employees, qualified internal candidates will be given preference when interviewing for internal positions. The decision as to whom the most qualified candidate is will be at the sole discretion of the district. If an external candidate is offered any position instead of an internal candidate, the internal candidate may request a written explanation from management as to why they were not as qualified and what they can do to improve their performance to become a better candidate in the future.
4. All appointments shall be subject to a trial period of ninety (90) work days except in those cases in which a regular permanent Employee is assigned to a new position in his current job classification. If the Employee successfully completes the trial period, the BOARD shall retain the Employee in the new position on a permanent basis with full seniority, benefits and increment rights. If the Employee is removed during the trial period, the Employee shall revert back to his/her former position with full seniority, benefits and the same increment rights.
5. In the event no qualified Employees have responded to the posting, the BOARD at its discretion shall fill the vacancy.
- B. 1. When the open position occurs in a transportation driver position, all Employees within that department who submit a bid for that position shall have the right to be present when the senior

qualified Employees bid is selected. The other Employees will then select the just vacated position(s) in seniority order until all Employees have had the opportunity to bid on a just vacated job.

2. If a bus driver or van aide goes on leave of absence, sick leave or disability leave which will extend beyond thirty (30) calendar days, that person's contracted run or regular assignment shall be posted as a temporary vacancy. Employees bidding on and obtaining these temporary runs/assignments shall hold them until the Employee on leave returns to work or for the completion of the school year, whichever occurs sooner, at which time the temporarily assigned Employee will return to his/her original assignment. Posting of these temporary vacancies shall be for three (3) days only. Only Employees who would increase or decrease their daily working hours will be eligible to bid on these temporary vacancies. (Any bus driver/van aide lateral moves will be considered on a case-by-case basis at BOARD's discretion).
