Re: Open Public Records Act Request

Dear Anonymous:

The District is in receipt of your request for records under the Open Public Records Act. Specifically, your request sought:

“At the Curriculum Committee meeting on August 8, 2023, Board President Skurbe stated, "We have an inherent problem with these final exams. 2360 were failed exams." Ms. Skurbe also reiterated this number ("2300") at the August 16, 2023 Board of Education meeting.

In order to obtain additional clarification of this number, we request the following:

1. The total number of failed exams that are attributable to Jamesburg students.
2. The total number of failed exams attributable to Jamesburg students for each of these subjects: Math, Science, Language Arts, and Social Studies.
3. The total number of students as a result of failing one or more final exam, who were not able to graduate in June 2023.
4. The number of students who were not able to graduate as a result of failing one or more final exam in June 2023 who were from Jamesburg.”

Your request is denied. The District has no records responsive to this request. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (Finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep't of Education*, GRC Complaint No. 2005-49 (July 2005) ("The Custodian has certified that the requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access").

Sincerely,

Lisa Goldstein
OPRA Secretary/Custodian of Records
