The police department does not have a SnapChat account, nor do we monitor the site. Officers were dispatched to 180 Yellowbank Rd on October 31st in response to an anonymous call regarding a large party.

Sorry, one more follow-up:

I spoke with Mrs. Maillard. She said the police who responded to the noise complaint told her they had seen a posting on what appears to be a Snapchat user named "Ocean County Parties," which picked up and shared an invitation that John Maillard posted on Tik Tok.

Would you be able to tell me whether the department is monitoring a page of that name?

Thank you

Good morning --

I have received several messages that police were called to 180 Yellowbank Road last night for a large gathering that had to be dispersed. Have received photos and videos of the gathering

Would someone be able to confirm this and give me additional details?

Thank you
