Overly Broad

Response: This request seeks information or asks questions and does not identify specific government records. **As such, this request is overbroad and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See **New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007).** A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See **Bent v. Stafford Police Department, 381 N.J.Super. 30, 37 (App. Div. 2005).** Custodians are not required to conduct research or create new records in response to an OPRA request

Your OPRA request is now deemed answered and closed. If we can be of any further assistance please feel free to contact us at 201-262-3400.
