Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:
Officers were called to Walmart (1872 Route 88) in reference to a shoplifting. Upon arrival, I met with Loss Prevention (LP) employee and the suspect. LP stated the male had various groceries and health care products that were not paid for, totaling \$212.12. LP provided surveillance footage which showed the male (JG) begin to scan items from his shopping cart at the self-checkout. JG began removing multiple items from his shopping cart, while only scanning one item. Walmart employee interjected and properly scanned the missed items. JG then finished his transaction after payment, however, left numerous items concealed under reusable shopping bags, and in the top shelf of the cart that were not paid for. JG then passed all point of sale and exited the store before being stopped by LP.
