144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

Driver V3 reported he was travelling EB on Rt 37 in the left lane when he stopped due to traffic ahead having a red traffic signal. V3 reported after stopping his vehicle, it was hit from behind by V2. V3 sustained damage to the rear end as a result of the impact. V3 Box 25: Code 365

Driver V2 reported she was behind V3 on Rt 37 EB when she began to brake because V3 was stopped. V2 reported she was slowing due to traffic stopped ahead and travelling at approximately "30 mph" when her vehicle was hit from behind by V1. V2 reported she believed V1 was not braking and as a result of the impact from V1, her vehicle was propelled forward and collided with the rear of V3. V2 sustained damage to the front and rear ends as a result of the impacts.

Driver V1 reported that as he was travelling EB on Rt 37 approaching the intersection of W End Ave behind V2 and V3 with a green traffic signal. V1 reported V3 "locked up" their brakes and then V2 did the same. V1 reported he then attempted to avoid a collision, however, he was unable to and as a result, V1 collided with the rear of V2 and then V2 collided with the rear of V3. V1 sustained damage to the front end as a result of the impact.

Investigation on scene revealed ABS skid marks consistent with the path of V1 leading to the crash scene. An improper number of passengers were in V3 (four in the rear) at the time of the crash in which passengers listed in F & G were "sharing a seatbelt" for seat position "5". Additionally, V2 admitted to not wearing her seatbelt at the time of the crash and that her head impacted the steering wheel as a result. Based on the totality of the circumstances including a review of the damage and statements provided, passengers listed in F & G from V3 and the driver of V2 were issued summonses for not wearing their seatbelts. V1 was determined to be at fault for the crash and was issued a summons for his actions.

Two occupants of V3 refused EMS transport and Driver V2 was transported by TR EMS to CMC for her injuries.

Nothing further.
