Dear **KENNETH W ANDERSON**:

Congratulations on being certified in the title indicated above. Let me commend you on your professional attitude and desire to provide a valuable service to your community. The division staff joins me in congratulating you on having demonstrated your competency in this specialty.

Many New Jersey certifications do not have a lapse date, however, others do have a three year certification cycle which includes continuing education renewal requirements. Please check your certificate to determine if there is a lapse date associated with your certification. You are invited to register on the Internet to attend Division of Fire Safety training programs on a variety of topics. Please review the Spring and Fall semester training brochures at: <http://www.nj.gov/dca/divisions/dfs/> or <http://www.keanfiresafety.com/>. Again, I would like to extend my congratulations to you on your accomplishment and trust you will be placing the above certification on your wall with justifiable pride. Please do not hesitate to contact the Division of Fire Safety, Office of Training and Certification at (609) 777-3552 if we may further assist you.

Sincerely,
