If, after twenty-five (25) years of service, an employee is forced to retire due to a non-job-related permanent sickness, illness or injury, the City shall continue in full force and effect the medical coverage listed in Section 2 for that employee and his/her dependents until the death of that employee, subject to the same qualifications as set forth in Section 2.

SECTION 4. Shifts shall rotate every two (2) weeks and there shall be two (2) twelve (12)-hour shifts per day. In addition, there may be one (1) "power shift" for one officer on each squad. The starting hour for this "power shift" shall commence within one (1) hour of the regular shift and shall also be a twelve (12) hour shift. Said officer on this shift shall rotate with his normal squad. It is acknowledged that the provisions of the Fair Labor Standards Act (FLSA) shall apply to the City. The City maintains the right to establish rules and regulations concerning the monitoring of and compensation for overtime in order to comply with such FLSA regulations and the terms and conditions of this Agreement. The Detective's workweek shall consist of forty (40) hours.

SECTION 2. Base salary shall be computed based on forty (40) hours.

SECTION 3. Overtime will be paid for any time worked in excess of twelve (12) hours in any one day and/or for any hours worked on an employee's scheduled day off within the fourteen (14) day work cycle. In addition, the four (4) hours between eighty (80) and the eighty-four (84) hour work cycle shall be compensated at the overtime rate of pay if all eighty-four (84) hours are actually worked by the employee. If an employee utilizes any type of leave of absence during that eighty-four (84) hour work cycle, then the employee shall receive straight time pay for these four (4) hours. All such overtime shall be paid at the rate of time and one-half of the employee's regular rate of pay.

SECTION 4. It is understood that the employees and the City are governed by the Fair Labor Standards Act (FLSA) and the terms and conditions of the negotiated Agreement. It is further agreed between the employees and the City that the employees will not receive compensatory time in lieu of paid overtime except where agreed to and outlined in Section 14 of this Article.

Because of the guaranteed four (4) hours, it is expected that the employee will actually work the four (4) hours. However, if a Detective is called to duty, he/she shall receive time and one-half his regular rate of pay for all that period of time worked.

SECTION 7. All police personnel shall report to their assigned post within thirty (30) minutes after being notified by the dispatcher or superior officer.

The person or persons engaged in this voluntary steady shift shall receive a bonus of Five Thousand Five Hundred Dollars (\$5,500.00) for the year, payable as part of the employee's base salary in compliance with the FLSA for the time assigned to the special steady shift. The person or persons engaged in this special steady shift shall also receive all other entitlements under this contract, including the compensation received by all other employees working the forty-two (42) hour week.

SECTION 9. For the purpose of computing time worked on recall and/or days off, an employee shall be considered on duty from the time he/she is notified by the dispatcher or superior officer, provided that he/she reports to work in fifteen (15) minutes.

SECTION 10. If an employee is required to report prior to his/her scheduled shift, he/she shall be paid at the rate of time and one-half his/her regular rate of pay for all that period of time.

SECTION 11. The City agrees to eliminate and not institute odd steady shifts. The parties hereto, however, may agree in writing to modify this section provided both parties agree.

SECTION 12. Pre-scheduled overtime shall be offered to permanent employees of the department first and shall, among these permanent employees, be offered on the basis of seniority. All other overtime shall be offered first to those permanent employees, on the basis of seniority, who are immediately available (on duty) to perform the overtime work, provided,

however, every permanent employee, regardless of seniority, shall be offered equal opportunity for overtime on a rotating basis.

SECTION 13. When considering overtime, sergeants shall replace sergeants first, then the normal policy on overtime shall be adhered to.

SECTION 14. In the event an employee attends training, it is agreed that his work schedule may be adjusted and/or reduced in order to insure that said officer is not scheduled to work in excess of a total of eighty-four (84) hours in a fourteen (14) day cycle, inclusive of the training time.

ARTICLE IX - VACATIONS

In the event an employee's request is unacceptable, he/she shall submit a new request by September 15 and a final decision shall be rendered by September 30. The balance of the employee's vacation may be used with a two (2) day notice pending the approval of the employee's immediate supervisor and the Chief of Police or his designee. This request may be granted for up to three (3) continuous days. In the event of an emergency situation, the

immediate supervisor shall be able to grant one (1) vacation day with one (1) calendar day of notification. However, the supervisor must insure that sufficient personnel are scheduled to allow for the vacation day. Any vacation days not used by June 30 will be forfeited, except those days that are scheduled and denied after May 31, which shall be added to the following year's vacation. If any vacation day is denied due to scheduling or sick leave prior to May 31, the employee must attempt to reschedule that vacation prior to June 30. If, due to scheduling or illness that is impractical, then those vacation days may be added to the following year's vacation.

All such hours earned above/below a multiple of twelve (12) shall be paid to the employee at straight time in the last paycheck of the year in which it is earned.

SECTION 4. If a member requires hospitalization while on vacation, he/she may charge said hospital time against his/her sick leave rather than his/her vacation time.

SECTION 5. The employee shall choose his/her first choice on the basis of rank and then Civil Service seniority, but shall wait until all employees have picked their first choice before he/she picks his/her second and so on. Any employee that has prescheduled his/her vacation shall not be unreasonably denied that vacation due to the request of a vacation day from another member of the squad.

(Unit Work/Overtime)

Grievance Arbitration

THIS SETTLEMENT AGREEMENT ("Agreement") is entered into by the City of Sea Isle City ("City") and Sea Isle City FOP Lodge No. 7 ("FOP").

WHEREAS, the City and the FOP are parties to a collective negotiations agreement effective January 1, 2018 through December 31, 2020; and

WHEREAS, the FOP is the exclusive representative for the police officers of the City of Sea Isle City Police Department ("Department") for the purpose of collective negotiations regarding the terms and conditions of their employment; and

WHEREAS, the FOP filed a timely grievance under Public Employment Relations Commission ("PERC") Docket No. AR-2018-424 alleging that the City improperly cancelled Ptl. Mol's approved vacation day for his scheduled day shift on December 12, 2017, reassigned him to cover the night shift on that same day, and then denied him 12 hours of overtime at the rate of time-and-one-half for having to work on his approved vacation day; and

WHEREAS, in the interests of avoiding the costs and uncertainty associated with litigation, the City and the FOP desire to resolve the aforementioned grievances and other outstanding issues.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the City and the FOP agree to the following terms in settlement of the above-captioned matters:

1. If it has not already done so, the City shall pay Mol twelve hours of overtime at the rate of time-and-one-half to coincide with the day shift he worked on December 12, 2017.
2. The City shall henceforth refrain from denying overtime compensation to officers who are called in to work when they are not otherwise scheduled to do so and from permitting non-bargaining-unit members to count towards the minimum-staffing levels set forth by the City in an attempt to avoid paying overtime.
3. To the extent that any were incurred, all fees and expenses of the arbitrators in each of these respective matters shall be divided equally between the parties, and each party shall bear the burden of their respective legal fees, costs, and expenses.
4. This Settlement Agreement contains the complete and entire understanding of the parties and has been reviewed by counsel for the respective parties prior to its execution by the parties. The terms of this Settlement Agreement shall be binding upon both parties unless otherwise negotiated.
5. The undersigned representatives executing this Settlement Agreement on behalf of both the FOP and the City represent and warrant that they have full authority to agree to the terms contained therein.
