Dear Lawrence Township (Mercer),

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Under OPRA/FOIA/Public Records laws, I am requesting the following documents:

If possible, please send the results of the request electronically to maywatermedia1@gmail.com.

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

RE: OPRA request

The Records Bureau is in receipt of your records request dated 5/9/25. Your request was processed as an OPRA request and our response is as follows:

Item #1 Incident/arrest reports including officer narrative that have been coded DUI/DWI from 5/1/24 to 5/14/24.

Your request for the above listed item would require research and is **denied** as per N.J.S.A. 47:1A-5(g). You must identify specific records.

This request has been fully processed through the Records Bureau. Unless specific record is requested, the request will be considered closed.

Respectively,

L.T. Michael Whitmore #215

Lieutenant Michael Whitmore #215
