The Town of Boonton, New Jersey
(I-Bank – Construction Loan – Water Meter Project – S340265-03)

Mr. Michael Yazdi
Chief Financial Officer
Municipal Building
100 Washington Street
Boonton, New Jersey 07005

Dear Mike:

Our service with respect to the above-captioned construction loan financing having been completed upon the rendering of our approving opinion on June 4, 2026, I have had my firm's bill prepared for services and disbursements in accordance with our proposal dated December 1, 2025. As you know, the fee can be included in the "Administrative Expenses" line item of the I-Bank loan and, therefore, should be included in a requisition submitted to the I-Bank. We are not billing for all of our work incurred to date but rather will submit an invoice for the balance of our I-Bank financing program fee at the time of the permanent loan closing.

This statement is attached in verified form and, if it meets with your approval, we ask that you please have it processed for payment in customary fashion.

With best regard, I am

Very truly yours,

Robert H. Beinfield
