Subject: Audit

Dear LexisNexis Government Support,

My name is Dan Roman, and I serve as an elected commissioner of Toms River Fire District No. 1 in Ocean County, New Jersey.

I am formally requesting a **confidential audit** of LexisNexis usage activity tied to **Brian S. Kubiel**, the district's current Administrator and Records Custodian.

This request is made **in my personal capacity as an elected oversight official**, not on behalf of the board, as I believe a conflict of interest exists that compromises the board's ability to act impartially. Mr. Kubiel, the subject of this inquiry, currently manages OPRA requests, internal access and recordkeeping for the very system in question.

Please provide:

- A complete list of names, addresses, or businesses searched
- Dates and times of all searches
- IP addresses and devices used
- Logs or access summaries of any records viewed or downloaded

Please treat this request with urgency and confidentiality. The subject **must not be notified**, due to the nature of the allegations and their position.

Let me know if any formal documentation or identity verification is required to proceed.

Thank you,

Dan Roman
Fire Commissioner
Toms River Fire District No. 1
