Meeting was opened by at 7:01 PM by President Andrew. A quorum was present. The minutes of October 3 were approved with a motion by Donna and a second by Barbara.

Library Operations Report – See attached

The Supervisor spoke briefly of the Library's activities, See Attached Reports.
A listing of the Library's November activities is enclosed.

The Supervisor reported that both the Borough and the library have found that the current IT provider's advice is insufficient and therefore another provider has been engaged. In the October minutes, we described the equipment that the Library wished to purchase. The Board passed a motion authorizing \$2,000 of State Aid money to be used for the purchase of the required equipment. The Board considered if a new motion would be required and concluded that the approval of the \$2,000 was still appropriate and a new motion would not be necessary. The new IT vendor has not had time to completely give a description of what will be purchased but it will be within the funds approved. Description of said equipment will be detailed in the minutes of the January 2020 meeting.

Also, additional computer equipment will be purchased with Borough funds.

The next meeting is scheduled for January 2, 2020.

Meeting adjourned at 7.29 PM
