Subject: [EXTERNAL] OPRA request - Licensed general contractors and 2024 building permits with associated service providers for Woodbridge Township NJ

Dear Woodbridge Township,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

1. A list of all general contractors licensed with the city/township (if the list exists) NO such list exists
- * Go to NJconsumeraffairs.gov for contractor listings
2. A list of all building permits issued for calendar year 2024, including the general contractor, owners, architect and any other construction service provider listed on the permits.

permit records for 2024 attached CSV format
with contractor info, architects not available

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Brendan Newell
