Hi Gerald,

Please see the attached per your request. I have the signed version in your file here in my office.

Also, your license is still for the 181 Randolph Avenue location. I need to look into what needs to take place to convert it into strictly a pocket license and will let you know. Hopefully it can wait until you sell it or use it somewhere else.

Take care.

Good afternoon Gerald,

Just wanted to let you know that all went through with your liquor license, but because it is a pocket license the certificate has to remain here.

Take care.

Hi Gerald,

We still have not received the check. I am not able to put the resolution on for tomorrow night's agenda unless we receive the payment.

Were you able to track the envelope you mailed?

Thank you!

Hello,

I recently applied for tax clearance renewal and I received a response stating it would take 3-5 business days to process and I was wondering if there were any updates on my application?
